**Safer Internet Day**

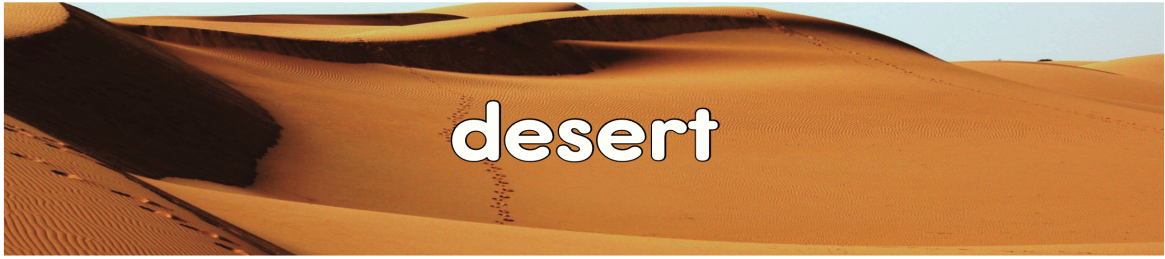

Safer Internet Day (11.2.25) is the UK's biggest celebration of online safety. This year Safer Internet Day will be focusing on the issue of scams online and for young people, how to protect themselves and others, as well as what support is available to them. As a parent or carer you play a key role in helping your child to stay safe online. Please see : [saferinternet.org.uk/guide-and-resource/parents-and-carers](http://saferinternet.org.uk/guide-and-resource/parents-and-carers), for tips, advice, guides and resources to help keep your child safe online.
