

Home Learning

Year 3

Date: Friday 19th July

Wow! Week 7 complete and just two more days to go of year 3. We have had a busy week of recapping and finishing off this week. In English, we have focused on the year 3 and 4 common exception words and the spellings of these words. We have practice using them in a sentence too. In Maths, we have focused on times tables. We recapped our 3s, 4s and 8s and then did some Times Tables Rockstars work. It would be great if you can keep using TTRS and hit the button over the summer to practice your times tables. We finished off our Geography unit this week, thinking about Tourism in different places in Europe and why people choose their destinations. Well done for such wonderful castles this week, they really were brilliant.

Monday/Tuesday

On Monday, there will be a number of activities running across the school. Children will be completing 3 activities which they have chosen. Activities include: drama, dance, mosaics, painting, art from across the world. The children will then be eating lunch on the field as a whole school.

On Tuesday, both Mrs Hutton and Miss Warwick will be in school to spend the last day with everyone. We will be doing activities, sorting things and finishing anything off that we need to do.

Spellings and Home Learning

There are no new spellings or home learning tasks as we are only in for two days next week! We will also be collecting reading books in so please do have a look round at home for any missing reading books.

Books

Children have brought their books home today. We hope you enjoy looking through all the wonderful work they have completed this year.

99 Club

Well one to Amelia for receiving her certificate this week and completing another club.

Trip

We had a really lovely day out yesterday. The weather was definitely on our side and the children behaved beautifully. Well done!

Have a lovely weekend,
Mrs Hutton and Miss Warwick

Spelling test today:
