

### Number Work

This week we have started to add numbers by looking at the column method. We have looked at adding 2 + 1 digit numbers ( $32 + 5$ ) and a 2 digit number to a 10's number ( $25 + 30 = / 48 + 40 =$ ). The ones only add up to 9, we have not started adding when you carry over.

Add.

(a)

	tens	ones
	2	6
+	1	0
<hr/>		
<hr/>		

(b)

	tens	ones
	3	7
+	3	0
<hr/>		
<hr/>		

(c)

	tens	ones
	6	0
+	1	8
<hr/>		
<hr/>		

(d)

	tens	ones
	4	0
+	2	9
<hr/>		
<hr/>		

### Extension

To extend your child, you might like to write a few column sums for them to practise the method.

### SPaG

#### Punctuation

We have started looking at adjectives (describing word).

#### Extension

Can you write a few sentences using this one to help you?

The cat sat in the sun.

The **black** cat sat in the **warm** sun.

#### Phonic Focus

This week we looked at the letter i and how it sounds in these words:

find, kind, behind, child, wild, mind, climb

#### Extension

Can you write a couple of sentences using these words?

Next week we will be making models of houses. If you have any junk materials please could you send it in to class? Thank you, Miss Chandler

### My child's response to the tasks
