

Number Work

We have been looking at the concept of money. Please find 3 challenges below.

Ben has 15p. An apple costs 22p. How much more money does he need?

Sarah gets 50p pocket money a week. She wants a comic that costs £1,50. How many weeks does she need to save?

How many different ways can you make 86p?

Writing

Sentence connectors!

We are looking at jazzing up our writing with interesting words.

I would like your child to write a sentence using an **interesting** sentence connector (when, but, so, then, because, if, after, although, while etc)

My child's response to the tasks.
