

Reminders:

1. Please make sure your child has their PE kit in school, our PE days are Tuesday and Friday
2. Please send reading records and reading books to school each day.
3. Once your child has finished their reading book, they can take the quiz or Accelerated Reader by following the link on the Year 4 home learning page on the school website and using the login details in the back of their reading journal.
4. As we move closer to the Y4 Statutory Multiplication Check, we will be increasing our multiplication practice in school. Supporting your child's fluency by practicing at home will support our practice in school. Some great resources and ways to support this:
 - a. Timestable Rockstars
 - b. Timestables.co.uk – has a variety of games and practice pages for all multiplications.
 - c. 'Hit the Button' on topmarks.co.uk
 - d. Orally practicing tables both in and out of order.
 - e. Using and practicing multiplication in real world situations: whilst cooking/playing games/at the shops etc.
5. Our RHE this term is focusing on families, friends, acquaintances and relationships. As part of this, we will look at being friendly online and the dangers that the internet and technology can pose. There will be some discussion about what you should do if you see inappropriate images, or what is appropriate to share online or by phone, however this will not be explicit in nature.
