Year 5

Date: 28/2/25

Gospel Value: Compassion Catholic Virtue: Hope

Dear Parents and carers

Welcome back and we hope that whether your half term was restful, action packed, or a combination of the two, that it was well enjoyed. The children have done really well to quickly settle back into the school routine and, as teaching staff, we have been pleased at the quality of work produced so far. In English the children have written stories with a central theme of time travel; these will be use as a basis for our work over the coming weeks. In Maths, we have covered both percentages and rounding and in Whole Class Reading continued 'The Time Travelers'. We are teaching Geography this half term with our focus being upon the water cycle; we continue with French and in Science started our topic on human development. Finally, in Computing we have started a unit of work based upon the Mar's Rover and its explorations upon the red planet. If you have any questions or issues linked to any of these topics, or any other school-related issues then please do not hesitate to get in touch.

Miss Rook & Mr Trevett

Reminders:

1. Please make sure your child has their PE kit in school for their PE days. The days for year 5 are Wednesday and Friday.
2. Please send the reading record in daily so that we can record any reading that we do with your child.
3. To facilitate a change in the class spelling tests, new spellings will still be given out on Friday but the test will now take place on the following Thursday.
4. RHE lessons continue this term. We will add details of lessons periodically. Should you want to look any further into the material covered then please explore the link: <https://www.tentenresources.co.uk/parent-portal/> Username: st-augustines-dt4 Password: afternoon-tea

If you feel that your child will struggle with any of the content, please email the office.
