Year 3

Date: Friday 28th March

Our Gospel Value this week was compassion and our certificates were awarded to Tommy and Mason.

Week 5 of 6 complete! We have had another busy week of learning. In English, we have been learning about the features of newspaper reports. We have looked at writing headlines, introductions and we did some hot seating for writing speech. In Maths, we have been looking at problem solving with mass and have also started using litres and millilitres. We have continued to learn about volcanoes this week and have thought about what positives could come from living near a volcano. In Science, we have been learning about seed dispersal, germination, pollination and fertilization.

Clubs

There will be no clubs week beginning 31st March.

Parents Evening

It was so lovely to see so many of you at parents evening this week and catch up! Thank you for coming.

BBC Dance Mat

Miss Smith introduced the children to this on Wednesday. It is a touch typing programme and the children really enjoyed it. So here is the link:

PE Days

After Easter there will be a slight change to our PE days. Our PE days will be **Monday and Tuesday**. This is because we are going to be having another lesson with Mr. Lawes rather than a lesson taught by Mrs. Hutton on a Friday. Therefore, children are to wear PE kit on Mondays and Tuesdays and their summer uniform on Wednesdays, Thursdays and Fridays.

99 Club

Well done to Leo and Neve for getting a 99 club certificate this week. After completing their 99 club in Monday's math lesson, the children are going to be bringing home their sheets. Some children are super close to finishing their current club so we thought it would be a good idea for them to see their mistakes and practice if they want to!

Have a lovely weekend,

Mrs. Hutton, Mrs. Mulholland and Mrs. Miller
