

# Home Learning

Year 3

Date: Friday 28<sup>th</sup> February

*Our Gospel Value this week was integrity and our certificates were awarded to Oliver and Woody.*

We have had another lovely week here in year 3. In Geography this week we have been learning about tectonic plates and how they move. In English, we have done different writing activities for space tortoise. We wrote similes and an alternative ending. In Maths, we have started a unit on fractions which we are really enjoying. We have been learning about numerators and denominators, unit fractions, adding fractions and how to make a whole. We are enjoying the start of the Iron Man by Ted Hughes and looking forward to seeing how the story goes. In PE we have been learning about to pass in Hockey and making sure we have good control of the ball.

## **RHE**

Module 2- Created to Love Others explores the individual's relationship with others. Building on the understanding that we have been created out of love and for love, this module explores how we take this calling into our family, friendships and relationships, and teaches strategies for developing healthy relationships and keeping safe both online and in our daily lives.

## **99 Club**

Well done to Aisha, Mason, Emilia, Leo, Oscar and Gianni for getting a 99 club certificate this week.

## **World Book Day**

We had a lovely day for world book day. Thank you to those who brought books in for our book swap. We hope you are happy with your new book!

Have a lovely weekend,

Mrs. Hutton, Mrs. Mulholland and Mrs. Miller

Home Learning Tasks		
Reading	TTRS	Spellings/Phonics
Please read at least 5x over the week.  <a href="https://global-zone61.renaissance-go.com/welcomeportal/1892365">https://global-zone61.renaissance-go.com/welcomeportal/1892365</a>	Please complete at least 15 minutes of TTRS.	Learn your spellings and use each word in a sentence.
