## Year 3

Date: 19<sup>th</sup> January

Our gospel value this week was **Integrity**  
This week the certificates were given to Bear and Dylan- well done!

### Reminders:

Well done for another hardworking week!

1. Please make sure your child has their PE kit in school every day- our PE days this half term are Wednesdays and Thursdays.
2. Please send the reading record in daily so that we can record any reading that we do with your child.
3. In RHE this half term, our unit is all about Emotional Well-Being which helps children to understand the difference between feelings and actions, how to manage them and what they can do to help themselves stay emotionally healthy. In this Unit, media is discussed as a 'fake reality' and God's love for us is presented as a better basis for our self-confidence. Finally, children will identify unacceptable behaviours and learn to build resilience against negative feelings by practicing thankfulness.

### New Maths Challenge - The 99 Club

This term we have introduced a new Maths challenge across Years 1 – 6.

The 99 Club is a weekly arithmetic activity where the children answer quick fire arithmetic questions in 5 minutes. They start on the 11 club – 11 questions in 5 minutes – in Year 1 and progress through to 99 questions in 5 minutes by the end of Year 6. The idea is that with repeated practice, children will quickly and confidently tackle mental Maths problems.

If children complete all questions accurately within the 5 minutes, they will be awarded a certificate and move onto the next level.

With Year 5 & 6, if the children complete all 99 questions within the 5 minutes, they have Bronze, Silver and Gold challenges to complete. These challenge the children further and contain order of operations, square numbers, percentages and calculating with fractions!

As a school, Year 1-Year 6 will be completing the 99 Club challenge every Morning at the beginning of their maths lessons. If they complete their allocated level, they will be awarded a certificate in Friday's Celebration Assembly and will move onto the next level the following Monday.

We look forward to seeing how speedily the children can complete the challenges! Keep an eye out for any certificates coming home on a Friday!  
We hope you have a lovely weekend.
