Year 3

Date: Friday 8th March

Our gospel value this week was Forgiveness.
This week the certificates were given to Sofia and Alyssia.

Happy Friday everyone. We have had another great week, don't forget to read the weekly newsletter to find out more. Please do not forget it is our class assembly on Wednesday 13th March. Mrs Hutton will not be here for this as she has to take her daughter for an important hospital appointment but Miss Warwick will be in.

World Book Day

Well done for making such an effort with your costumes and story potatoes. We had a lovely World Book Day and even got to watch a live show from Michael Rosen.

99 Club

Well done to those children who have earned 99 club certificates today.

Assessment Week and Science Week

Next week is another busy one! Science week and assessment week. The children will be doing a few tests during the mornings next week. It is also Science week, children can be creating posters at home with the theme of time. The children can take the theme and create whatever sort of poster they like:

- animals/plant life cycles (over time)
- evolution and adaptation
- thinking about healthy lifestyles and fitness
- technology changes over time
- food and food waste what happens over time
- scientists through time
