

Home Learning

Year 4

Date: 19/01/24

Reminders:

1. Please make sure your child has their PE kit in school, our PE days are Tuesday and Friday
2. Please send reading records and reading books to school each day.
3. Once your child has finished their reading book, they can take the quiz or Accelerated Reader by following the link on the Year 4 home learning page on the school website and using the login details in the back of their reading journal.
4. As we move closer to the Y4 Statutory Multiplication Check, we will be increasing our multiplication practice in school. We will now complete 144 Club on a Wednesday and a Friday. Supporting your child's fluency by practicing at home will support our practice in school.

New Maths Challenge - The 99 Club

This term we have introduced a new maths challenge across Years 1 - 6.

The 99 Club is a weekly arithmetic activity where the children answer quick fire arithmetic questions in 5 minutes. They start on the 11 club - 11 questions in 5 minutes - in Year 1 and progress through to 99 questions in 5 minutes by the end of Year 6. The idea is that with repeated practice, children will quickly and confidently tackle mental maths problems.

If children complete all questions accurately within the 5 minutes, they will be awarded a certificate and move onto the next level.

With Year 5 & 6, if the children complete all 99 questions within the 5 minutes, they have Bronze, Silver and Gold challenges to complete. These challenge the children further and contain order of operations, square numbers, percentages and calculating with fractions!

As a school, Year 1-Year 6 will be completing the 99 Club challenge every Morning at the beginning of their maths lessons. If they complete their allocated level, they will be awarded a certificate in Friday's Celebration Assembly and will move onto the next level the following Monday.

We look forward to seeing how speedily the children can complete the challenges! Keep an eye out for any certificates coming home on a Friday!

Home Learning Tasks		
Reading	TTRS	Spellings/Phonics
Please read at least 5x over the week.	Please complete at least 20 minutes of TTRS.	Learn your spellings and use each word in a sentence.

Spellings.

Spelling pattern for week beginning

Words ending in the suffix -ation.

Group 1- /a-e/	Group 2 (bonus words)	Group 3
Make Whale Name	creation radiation indication ventilation relegation dedication demonstration abbreviation translation vibration	creation radiation indication ventilation relegation dedication demonstration abbreviation translation vibration

Please help your child to learn the words relating to the spelling pattern and the words for your child's spelling group. If children in group 2 want to practice and be tested on all 10 words, they are more than welcome to.
