

Home Learning	Year R	
	Date: 18.10.24	

Reminders:

Gospel Value Certificates

Gospel Value focus: Courage

This week's certificate winners for peace are Oren and Hugo!

Well done to both certificate winners!

Toys

Please can we ask that from next week, no toys are brought into school. We have lots of things we would like the children to play with and explore in the classroom and garden so if home toys can be left at home it will support this. This also prevents toys from being lost or damaged.

Thank you for your support.

Reception Baseline Assessment

In the first few weeks of Reception, all children in Reception classes complete the Baseline Assessment which assesses your child's knowledge in literacy and communication, as well as maths. The assessment generates a report to say what your child did. These reports have been sent home in children's bags today for you to look at. If you would like to discuss these any further, please let one of the team know. To read more about the RBA, please follow this link: https://assets.publishing.service.gov.uk/media/6703cfa6a31f45a9c765f203/2024_Information_for_parents_reception_baseline_assessment.pdf

Home Learning Tasks

Reading

Please read your child's books they bring home with them and any others they have at home. Children should be reading a book every day. Please record each time they read in their reading diary. Reads are counted on a Friday.

Phonics

Please see the homework task below linked to what your child has been learning this week.

Phonics Homework

This week, the children have learnt the sounds b, f and e. We have practiced writing the sounds and have been building CVC words containing the sounds we have learnt so far.

This week's task is to ask your child to Fred talk the CVC words below. If they can blend it that's great, but if not, once they have had a go, you could Fred talk the word for them and see if they can orally blend the word. For example, you would sound out n-e-t and see if your child can blend it.
