Class News

Please note that every week this will be the box containing important information about class events and reminders.

The children have continued to work hard this week. Well done Year 1 for all your amazing achievements.

1. Please remember that on **Tuesday 10th October** from 1pm-6pm, we have **Parent Consultation Meetings**. If you have not yet signed up for an appointment, via parentmail, please do. It will be lovely to share information about your child's learning with you.
2. **Harvest Mass**
On **Thursday 12th October**, we will be celebrating our whole school **Harvest Thanksgiving Mass** at school. The Mass will be led by our Year 5 children. We ask for donations of tins and food in packets with a long shelf life. This year we will be continuing to support the Weymouth Foodbank and will deliver all your kind donations.
3. Thank you to those of you who have accessed Times Table Rockstars and our Oxford Reading Owl Reading Books.
Please remember that your child's passwords for these platforms are stuck in their reading record books.
To go to Times Table Rockstars, the link is:
<https://play.ttrockstars.com/auth/school/student>
Please note the school's postcode is : DT40RH
To go to Oxford reading Owl, the link is:
<https://www.oxfordowl.co.uk>
Please note that as well as providing an online book for your child, a quiz is also assigned to help develop your child's comprehension skills.

In Relationships and Health Education next week, the children will continue to learn that we are created individually by God and that we can give thanks to God in different ways.

Home Learning Tasks

Reading	Times Table Rock Stars	Spellings/Phonics
Please read at least 5x over the week. Please remember to write in their reading journals so we can count their reads. Remember that in their daily phonics lessons the children participate in reading activities.	As detailed above, you have access to times table rockstars. Have fun working on counting in 10s and the 10 times table. To help your child with the games online, when children are presented with 2X10 for example, you could ask your child to count in 10s, perhaps presenting them with 2 wooden blocks or drawing 2 long lines to represent 10. The children are very experienced in counting in 10s. Have fun.	This week, the children who have purple RWI reading books have started learning the Set 3 Sounds detailed overleaf. Please revisit all Set 2 sounds and the Set 3 sounds if your child has a purple, orange or yellow RWI book. If your child has a green RWI book please continue to focus on the Set 2 sounds. Thank you.
