Topic Tasks: Summer Week 4

Topic

Thank-you for all the excellent homework this week and anticipated brilliant spelling test results! We will be sending homework books home on a Monday and asking you to return the homework plus book and we'll testing spellings the following Monday.

In literacy we are learning how to write letters. Your homework this week is to write a short letter to Mrs. Berry telling her what you enjoy about school and making one suggestion of how you think our school could be improved. Remember neat joined writing, spaces between words and correct spellings.

Maths Children need to know how to tell the time, on the hour, the half hour, quarter to and quarter past the hour (ARE) and at 5-minute intervals (greater depth) using an analogue clock. Please ask and help your child to tell you the time at regular intervals throughout the evenings and weekend.

$$1. 3 \times 10 =$$

$$2. 4 \times 5 =$$

$$3. 2 \times 8 =$$

$$4. 10 \times 7 =$$

$$5. 5 \times 6 =$$

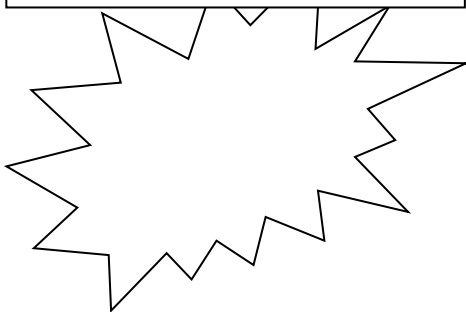

$$6. 9 \times 2 =$$

Copy and complete these sums into your book neatly.
