## Year 1

Date: Friday 24<sup>th</sup> November

Gospel Value-**Humility** Catholic Virtue-**Prudence**

### Class News

**PLEASE NOTE THAT THIS NEWSLETTER IS ACCESSABLE ON THE SCHOOL WEBSITE IN THE YEAR 1 SECTION MAKING IT EASIER FOR YOU TO ACCESS THE HYPERLINKS.**

*Thank you for your ongoing support. We appreciate your commitment to your child's learning.*

#### Christmas Play Reminder

As you know this week, we allocated parts and sent out letters to inform you of your child's part in our Christmas Play. Just to remind you, the play will be performed on Tuesday 12<sup>th</sup> December at 9.30.

#### Some of our favourite songs...

This week, we've been working on recognising 2D and 3D shapes and have been learning about their properties together with making patterns.

We've really enjoyed the following songs. You might like to share these together at home.

<https://www.youtube.com/watch?v=1nJ5VbyD6tY>

<https://www.youtube.com/watch?v=74JhwbsVXQ8>

We continue to thank you to those of you who have accessed Times Table Rockstars and our Oxford Reading Owl Reading Books. Please remember that your child's passwords for these platforms are stuck in their reading record books. To go to Times Table Rockstars, the link is:

<https://play.ttrockstars.com/auth/school/student>

Please note the school's postcode is : DT40RH .

To go to Oxford reading Owl, the link is:

<https://www.oxfordowl.co.uk>

Please note that as well as providing an online book for your child, a quiz is also assigned to help develop your child's comprehension skills.

This week the children have continued to work so hard. In topic work their areas of learning have included identifying physical features in the local area, learning about the common and different characteristics of mammals, birds, fish, reptiles and amphibians and have been continuing to learn learning about algorithms in computing and have been very busy learning the songs for our Christmas Play.

We have also had a visitor this week- Bobby Wilkinson- the Weymouth Football Manager. The children prepared some excellent questions to ask, including, What colour is your kit? How do you do a slide tackle? Can you bounce a ball on your foot? What colour ball do you use? It was a really interesting session and showed the interest our children have for football.

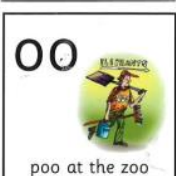

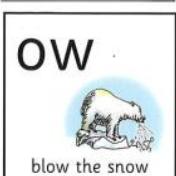

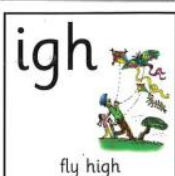

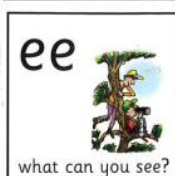

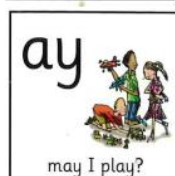

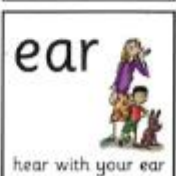

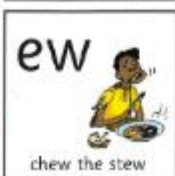

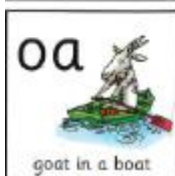

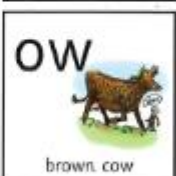

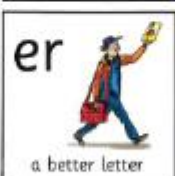

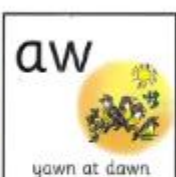

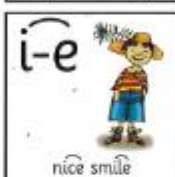

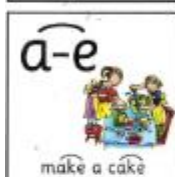

**In Relationships and Health Education this half term we are continuing to learn about being special, unique and about being safe.**

## Home Learning Tasks

Reading	Times Table Rock Stars	Spellings/Phonics
Please read at least 5x over the week. Please remember to write in their reading journals so we can count their reads. Remember that in their daily phonics lessons the children participate in reading activities.	As detailed above, you have access to times table rockstars. Have fun working on counting in 10s and the 10 times table. To help your child with the games online, when children are presented with 2X10 for example, you could ask your child to count in 10s, perhaps presenting them with 2 wooden blocks or drawing 2 long lines to represent 10. The children are very experienced in counting in 10s. Have fun.	The children who have purple RWI reading books have continued learning the Set 3 Sounds detailed overleaf. Please revisit all Set 2 sounds and the Set 3 sounds if your child has a purple, orange or yellow RWI book. If your child has a green RWI book please continue to focus on the Set 2 sounds. Thank you.
