## Year 5

Date: 4/10/2024

Gospel Value: Compassion

Catholic Virtue: Hope

Firstly, thank you to all those who were able to attend Parent's Evening this week and we hope that the conversations held gave you a useful insight into the day to day education of your child. With that in mind, this week in Maths we have started to consolidate our knowledge of subtraction, building upon our previous knowledge and really trying to the operation in all its forms. In English we have been looking at the development of character in our writing and how dialogue can enhance this process. In RE the quality of friendship has been the focus of our study and we have carefully considered what makes a good friend. We are all really working hard now to ensure that the children's work is of the best quality and really showcases their learning.
