## Year 4

Date: 13/10/23

### Reminders:

1. Please make sure your child has their PE kit in school each day, our PE days are Wednesday and Thursday. **Some children still don't have a PE kit in school.**
2. Please send the reading record in daily so that we can record any reading that we do with your child.
3. Once your child has finished their reading book, they can take the quiz or Accelerated Reader by following [this link](#) and using the login details in the back of their reading journal.
4. We have now launched the exclusive 144 club in Year 4. This will be a weekly test of times tables knowledge. The children will race Mr Edmonds (approx. 3mins) to complete a mixed multiplication square. If they can improve on last week's score, they get 5HP, if they get 144 correct answers there will be a prize and will be entered into the 144 Club hall of fame! A laminated multiplication grid should have come home last week so they can practice mixed tables and rub them out and practice again.
5. Our RHE curriculum over the next few weeks will teach the children about puberty. They will be talking about their bodies and how they will change as they get older. You can view the unit content by visiting [www.tentenresources.co.uk](http://www.tentenresources.co.uk) logging in with your credentials and viewing LKS2 Module 1, unit 2.
6. Zoe Smith, our Early Help Link Worker, will be running a drop in session on 16<sup>th</sup> October 8:30-10:30. If you want to speak to her please call into the school office during these times.
