Year 3

Date: Friday 22nd November

Our Gospel Value this week was Courage and our certificates were awarded to Sienna and Mason!

WOW! What another busy week we have had in Year 3! As always, the children continue to work hard and are always striving to be the best they can be! In Science this week the children looked at the different types of rocks and how these are similar and how they differ. In Geography the children looked at the physical features of the North West, they are really enjoying this topic! In English, the children have been researching David Attenborough using the chromebooks. The facts found will then be written into biographies next week! On Wednesday we enjoyed a trip down to St Joseph's church. We met with Father and he showed us lots of items in the church and their importance in Mass. The children blew us away with their knowledge and we were extremely impressed with how they behaved and represented the school! Well done Year 3, we are nearly half way through this term already!

DT materials

In Our DT topic this half term the children have designed and will be making their own pneumatic toys. We are on the hunt for boxes (with lids) that the children can use as their base. If you have any spare shoe boxes or teabag boxes, please send them in! Thank you so much.

99 Club

Well done to Finley and Gianni for getting a 99 club certificate this week.

RHE

In Unit 2 – Me, My Body, My Health, children meet animated character, AJ, who will reappear throughout this scheme of work. In this Unit, children will learn to celebrate similarities and differences, and to appreciate and look after their bodies as gifts from God.

Quizzes

Lots of children are coming in and asking us if they can complete the quiz. It would be very useful and save us time if these were completed at home. If you are having issues logging on, please ask us for help!

Coats

It is getting colder! Please make sure coats are in school every day. Even if it is drizzly or cold we will be trying to get the children outside for some fresh air. It would also be beneficial for hats, gloves and scarfs to be in school too.

Have a lovely weekend,

Mrs. Hutton, Mrs Mulholland and Mrs. Miller
