Maths Challenge - The 99 Club

The children are continuing to work hard on their weekly Maths challenge. We're so proud of the way they are applying their addition skills to develop number fluency.

Read, Write Inc. Groups

This week the children have been issued their weekly reading books and their online Oxford Reading Owl Book. Please can you ensure that your child's reading books are in school on a **Wednesday** as this is the day when we will continue to change the children's books.

Please note that we continue to assign online reading books every week on Oxford Reading Owl.

We ask that you continue to read regularly with your child and to record the reads in the yellow reading record book.

Times Table Rock Stars

Please note that the 5 times table and 10 times table are now accessible on Times Table Rock Stars. Please check your log in details in your child's reading record book.

Words of the Week

Every day we have a word of the day that we discuss as a class to help the children develop their vocabulary.

This week our words have been:

afraid	better	echo	joy
--------	--------	------	-----

Please take time to discuss these words with your child.

Perhaps you could ask your child to place the word into a sentence to help them understand it in context.

Phonics Games

Sometimes in class we play phonics games. To help strengthen your child's reading skills you might like to look at these games available on:

<https://www.phonicsplay.co.uk/resources>

Maths Games

This week in Maths, we have looked at identifying numbers to 100.

If you would like to play some online games to help reinforce your child's understanding, please go to:

<https://www.topmarks.co.uk/learning-to-count/helicopter-rescue>

and select DIRECT 1 to 100.

Home Learning Tasks

Reading	Times Table Rock Stars	Spellings/Phonics
<p>Please read at least 5x over the week. Please remember to write in their reading journals so we can count their reads. Remember that in their daily phonics lessons the children participate in reading activities.</p>	<p>Have fun working on counting in 10s and the 10 times table and on counting in 5s and the 5 times table. To help your child with the games online, when children are presented with 2X10 for example, you could ask your child to count in 10s, perhaps presenting them with 2 wooden blocks or drawing 2 long lines to represent 10. The children are very experienced in counting in 10s and also in 5s. Have fun.</p>	<p>The children who have purple RWI reading books have continued learning the Set 3 Sounds detailed below.
