Year 3

Date: Friday 13th December

Our Gospel Value this week was peace and our certificates were awarded to Woody and Oliver

Another busy week here in year 3 and our penultimate week of autumn 2! The children added the balloons and piping to their projects in DT and they are looking brilliant! In Maths, we have been learning our 8 times table to be sure to practice this on Rockstars! In English, we have written a class Christmas rhyming couplets poem. The children had some great rhyming word ideas. We have been comparing the north and south west of England in Geography using key vocabulary such as: land use, urban, rural, human feature, physical feature and also practicing our compass skills. In Science, we have been making fossils using plasticine. A great week!

99 Club

Well done to Gianni and Eden for getting a 99 club certificate this week.

Dojos

We have been working to earn our class dojos and we are just 30 away from 2000! If the children can do this by Tuesday, we will have a Christmas afternoon on Wednesday. So watch this space!!
