

Unicorn Land

by Grace Y6

Suddenly a unicorn jumped out; she was called Leanna. Leanna had pink and blue hair. She went to go to the forest to get food but a snake bit her. IZZY (the unicorn) came to save her.

"Are you OK?" asked IZZY.

"Yes," said Leanna.

She heard a noise. Two more unicorns came. One called Mrs Lamborn, who was a basket ball coach. And another called Mr hobby, who plays basketball.

"Hello," said Mrs Lamborn and Mr hobby.

10 MONTHS LATER!

"Yea lets go praty!" Mrs Lamborn. Mr hobby shook his head in shame. IZZY and Leanna played football while Mr hobby made the most delicious ICE-cream ever. They all made them a nice cuppa cup & tea) and fell asleep.
