Year 3

Date: Friday 4<sup>th</sup> October

*Our Gospel Value this week was compassion and our certificates were awarded to Eden and Milo*

Another busy week here in year 3! The children have rewritten the story of cave baby in their own words. We have been so proud of the vocabulary they have used and how brilliantly they have remembered the details. History this week was looking at the bronze age and how this was different to the stone age. In art, the children made their own stencils of stone age cave art animals and then painted them. The children did so well in Science this week. We were investigating objects that were opaque, transparent and translucent. We used the torches in groups and worked well as teams!

## **Times Table Rockstars**

TTRS now has a very good app. Super easy to use and great for quick use!

## **Parents evening**

It was lovely to see most of you at parents evening this week. If you were unable to make it, do catch us on the door and we will arrange to see you.

## **Class Assembly**

Our class assembly is not far away! Wednesday 9<sup>th</sup> October. We hope you can make it.

## **Toys**

Just a little reminder that we do not want toys in school. We have noticed there are more soft toys, fidget toys and cards are being brought in. We would hate for these to get broken or lost so it is just best to keep them at home!

Have a lovely weekend,  
Mrs Hutton and Miss Warwick
