Year 3

Date: Friday 18th October

Our Gospel Value this week was courage and our certificates were awarded to George and Finley

Another busy week in year 3! The children were painting in art using colours and blending to create a textured background. In History, we discussed and looked at Maiden Castle. We looked at what evidence was left there and what this told us. We finished another maths unit this week and next week we are starting to look at formal methods for adding three-digit numbers. In English, we wrote letters of thanks to Farmer George for the wonderful day we had on Tuesday. Our PE lesson on Friday was netball and we really enjoyed playing small games and having a go at shooting into the nets!

Non-Uniform

Next Friday is non-uniform day. This is also our PE day. Children can come to school in non-uniform and they do not need their PE kit. If they are wearing trainers, then they can just do PE in these clothes and shoes. If they are not wearing trainers, then pop some in their bags to change into. It would be easier to just be wearing trainers!!

Trip

WOW! We had such a fabulous day on Tuesday. A special thank you to those parents who offered their time to come and help us. We are so proud of how the children behaved and represented the school. Farmer George, Jane and Penny were so complementary of the children and how well they behaved. We arrived at 10am and went into the barns to look at the different grains that had been harvested. We saw barley, wheat, millet, rapeseed and beans and we were able to hold them and find out how they are harvested and grown and what they are used for. Farmer George then loaded us onto his trailer that is pulled by a big tractor. He took us to his cow field and we went inside on the trailer. The cows were very keen to see us and very noisy! We learnt all about how cows eat and digest food and what the cows were used for. He then took us off to some of his crop fields and showed us what was growing there and what he planned to grow. We went in some wild flower fields and had a look at what was growing and also into the woods to see the plants in there. He then drove us back to the sheep field. We all got off the trailer and went into the sheep to feed them. The sheep were extremely friendly!! We fed them, felt their wool and enjoyed giving them a stroke! We then headed back to the classroom on the farmyard where we had some lunch and read the story of the Little Red Hen. We then learnt how the wheat is grinded to make flour and watched this process. Farmer George then showed us a machine that turned rapeseed into oil which was brilliant to see. After this, we split into groups to do a carousel of activities. Activity one was a cutting and sticking task to decide what things were grown on the farm and what was grown elsewhere. Activity 2 was kneading and shaping bread rolls using the flour we had grinded and finally the third activity was cutting, chopping and peeling vegetables for a soup! We then headed out to see the chickens whilst the soup cooked. Farmer George showed us some fresh eggs and we talked about the chickens and what they needed. Finally, we headed back into the classroom to eat soup and bread which was delicious!! We then loaded back onto the coach and headed back to school. A super busy but brilliant day!!! We have lots of pictures to share, we are in the process of uploading and working out the best way to share these.

Reading

Wow! The children have been so fabulous with their reading this week. They have been taking every opportunity to pick up and read their books. Some days we have had some forgotten books! If this happens, the children are choosing a text from the class library to read but it would be best to have their own reading book so please try and remember this!

Operation Christmas Children

Your child has come home with the leaflet for operation Christmas child shoeboxes. The deadline for shoeboxes been released yet but we know it will be around the 2nd week of November.

Have a lovely weekend,
Mrs Hutton and Miss Warwick

Home Learning Tasks		
Reading	TTRS	Spellings/Phonics
Please read at least 5x over the week. https://global-zone61.renaissance-go.com/welcomeportal/1892365	Please complete at least 15 minutes of TTRS.	Learn your spellings and use each word in a sentence.
