Year 3

Date: Friday 20<sup>th</sup> September

*Our Gospel Value this week was integrity and our certificates were awards to Gabriel and Alexis*

Week 3 complete! We have had another really busy and hardworking week. The children are really getting used to Year 3 routines and they continue to impress us with their mature attitude to their learning. All of our Autumn 1 topics have taken off now and we are the children are immersed and enjoying all of the new content. The children were excited when learning about how light travels into our eyes in Science and in Computing this week we did a 'network safari' around the school on the hunt for devices and components that make up our school network. Miss Warwick will be back in on Monday as normal and the usual teaching pattern resumes. We are looking forward to another hard working and fun-filled week!

### Reading Quizzes

A few children have come in this week and told us that they haven't completed the reading quiz at home. We don't always have time to complete these in school so where possible these must be completed at home. The link you need to click on is always linked in this letter and can be accessed via the website. If you have any problems logging on and accessing the quiz please speak to us and we will be more than happy to help!

### RHE/PSHE

Unit 1 – Religious Understanding explores the Gospel story Jairus' daughter in various creative and reflective ways. Through story and discussion, children will learn that they are designed for a purpose and how they should live in light of this. A second session unpacks the Sacraments of Baptism and Reconciliation as a foretaste of heaven and a wonderful part of our relationship with God.

Have a lovely weekend,  
Mrs Hutton and Miss Warwick
