Dear Parents and carers

We come to the end of another week packed with learning and it is nice to see the children well settled back into their routines. Continuing on from last week in English we have been further exploring the topic of balanced arguments and preparing for a piece of independent writing. In Maths we have been getting our teeth stuck into short division with remainders, and in RE we have been thinking about Jesus' mission and how this can help us orient our own lives. In Science we are studying the structure of plants and in computing we have investigated the origins of animation whilst attempting to make our own versions.

Reminders:

1. Please make sure your child has their PE kit in school for their PE days. The days for year 5 are Wednesday and Friday.
2. Please send the reading record in daily so that we can record any reading that we do with your child.
3. To facilitate a change in the class spelling tests, new spellings will still be given out on Friday but the test will now take place on the following Thursday.
4. RHE lessons continue this term. We will add details of lessons periodically. Should you want to look any further into the material covered then please explore the link: <https://www.tentenresources.co.uk/parent-portal/> Username: st-augustines-dt4 Password: afternoon-tea

If you feel that your child will struggle with any of the content, please email the office.

Home Learning Tasks		
Reading	TTRS	Spellings/Phonics
<p>Please read at least 5 times over the week with your child. By year 5, some children are fabulous readers and can enjoy a book independently. If your child reads by themselves, they can record in the Reading Record as well. At the end of each book please use the login at the back of the Reading Record to take the AR Quiz (at home) before changing your book the next day.</p>	<p>Please complete at least 15 minutes of TTRS twice a week.</p>	<p>Learn your spellings and use each word in a sentence.</p> <p>We are trialling using the Chromebooks during our spelling tests and due to availability we will be holding our tests on a Thursday rather than a Friday going forward.</p>
