Year 3

Date: Friday 17th January

Our Gospel Value this week was integrity and our certificates were awarded to Sean and Olivia

This week in English we have been doing instruction writing and today we wrote our introduction for how to trap a dragon. In maths we have been multiplying and dividing 2-digit numbers by 1- digit numbers using formal methods and partitioning. We learnt all about the people of Rome in History this week, looking at how people lived and the different classes. We used plasticine in science to make the organs of the human body.

RHE

Emotional Well-Being helps children to understand the difference between feelings and actions, how to manage them and what they can do to help themselves stay emotionally healthy. In this Unit, media is discussed as a 'fake reality' and God's love for us is presented as a better basis for our self-confidence. Finally, children will identify unacceptable behaviours and learn to build resilience against negative feelings by practising thankfulness.

Coats

It is still extremely cold. Please remember your coats!

PE Kit

We are seeing a lot of children not in the correct kit. Please remember, if you do not have school PE jumper or fleece, children can wear their normal school jumper, cardigan or a plain navy jumper. We do not want children wearing branded tops or football tops.

99 Club

Well done to Emilia, Juliette, Milo, Oscar and Sean for getting a 99 club certificate this week.

Have a lovely weekend,

Mrs. Hutton, Mrs Mulholland and Mrs. Miller

Home Learning Tasks		
Reading	TTRS	Spellings/Phonics
Please read at least 5x over the week. https://global-zone61.renaissance-go.com/welcomeportal/1892365	Please complete at least 15 minutes of TTRS.	Learn your spellings and use each word in a sentence.

Spellings

Adding the vowel suffixes -er, -ed or -ing
gardener gardening limited limiting offering offered benefited benefiting focused
