Year 6

Date: 28/3/24

Thought for the Week:
Catholic Virtue: Integrity

Reminders:

1. Please make sure your child has their PE kit in school each day. Our P.E days are Monday and Friday.
2. Please send the reading record in daily (even when it is not book change day) so that we can record any reading that we do with your child.
3. In RHE, this session follows on from the previous two internet safety sessions, by moving into the real world and considering what physical contact is appropriate and inappropriate. Through 4 fictional stories, children will be introduced to the term 'abuse' and discuss the different kinds of abuse, including sexual (which in LKS2 was described as 'abuse of private parts'). Children will be introduced to the concept of rights, and how abuse violates their rights. They will be asked to think of trusted adults that they can talk to about any issues they may face.
4. This term we have introduced a new maths challenge across Years 1 - 6. The 99 Club is a weekly arithmetic activity where the children answer quick fire arithmetic questions in 5 minutes. They start on the 11 club - 11 questions in 5 minutes - in Year 1 and progress through to 99 questions in 5 minutes by the end of Year 6. The idea is that with repeated practice, children will quickly and confidently tackle mental maths problems. If children complete all questions accurately within the 5 minutes, they will be awarded a certificate and move onto the next level. With Year 5 & 6, if the children complete all 99 questions within the 5 minutes, they have Bronze, Silver and Gold challenges to complete. These challenge the children further and contain order of operations, square numbers, percentages and calculating with fractions! As a school, Year 1-Year 6 will be completing the 99 Club challenge every Morning at the beginning of their maths lessons. If they complete their allocated level, they will be awarded a certificate in Friday's Celebration Assembly and will move onto the next level the following Monday. We look forward to seeing how speedily the children can complete the challenges! Keep an eye out for any certificates coming home on a Friday!
5. I enjoyed meeting many of you for Parent's Evening, thank-you for your continued support.
6. We will be sending home some useful resources after Easter that will be helpful in aiding with the SATs. If it is possible to look at some of this each week, then it will be very beneficial.
7. Have a wonderful, restful Easter break- the children have certainly earned it!
