### Class News

***Please note that every week this will be the box containing important information about class events and reminders.***

The children have worked hard this week and it's been a joy to see them progressing so well in many curriculum areas.

1. Please remember that we have PE on Mondays and Wednesdays. The children are enjoying our current work on team games and this week enjoyed our parachute games.
2. Thank you to those of you who have accessed Times Table Rockstars and our Oxford Reading Owl Reading Books.  
Please remember that your child's passwords for these platforms are stuck in their reading record books.  
To go to Times Table Rockstars, the link is:

Please note the school's postcode is : DT40RH  
To go to Oxford reading Owl, the link is:

Please note that as well as providing an online book for your child, a quiz is also assigned to help develop your child's comprehension skills.

In Relationships and Health Education next week, the children will continue to learn that we are created individually by God and that we can give thanks to God in different ways.

## Home Learning Tasks

Reading	Times Table Rock Stars	Spellings/Phonics
Please read at least 5x over the week. Please remember to write in their reading journals so we can count their reads. Remember that in their daily phonics lessons the children participate in reading activities.	As detailed above, you have access to times table rockstars. Have fun working on counting in 10s and the 10 times table. To help your child with the games online, when children are presented with 2X10 for example, you could ask your child to count in 10s, perhaps presenting them with 2 wooden blocks or drawing 2 long lines to represent 10. The children are very experienced in counting in 10s. Have fun.	Every week we will detail the sounds the children have been recapping or have been introduced to during their phonics lessons. Please see the sounds we have focused on this week and once your child has read them with you, dictate a simple sentence for them to write containing some of the words listed and also ask them to practice handwriting the words. This week we have recapped some of our Set 2 sounds. Please see these overleaf together with all the Set 2 sounds we have now worked on.
