

# Home Learning

## Year 1

Date: Friday 15<sup>th</sup> September

Gospel Value-**Compassion**

Catholic Virtue-**Faith**

### Class News

**Please note that every week this will be the box containing important information about class events and reminders.**

It has been another very exciting week with lots of wonderful learning. We continue to be so proud of the children's positive attitude to learning and the way they are adapting to their Year 1 work.

In preparation for next week we ask for your support...

1. Thank you for giving your child a toy today. It really enhanced our learning in History and gave us an excellent starting point in order to compare new and old toys. Please watch this space as over the coming weeks, we will be asking you if you have a toy that you or your own parents played with when they were young that your child could bring to school for the day.
2. Please remember to send the reading book bag in as we continue to send home your child's reading books on a Wednesday.
3. Thank you to those of you who were able to attend the 'Meet the Teacher' meeting on Thursday. If you were unable to attend, please note that at the back of your child's reading record book, there are details regarding passwords to access Times Table Rockstars and Oxford Reading Owl Reading Books. To find out more about these websites and their benefits for the children's learning, please do read the Powerpoint Presentation that we shared by going to: <http://www.staugustines.dorset.sch.uk/website/> and clicking on the Year 1 tab.  
To go to Times Table Rockstars, the link is:  
<https://play.ttrockstars.com/auth/school/student>  
Please note the school's postcode is : DT40RH  
To go to Oxford reading Owl, the link is:  
<https://www.oxfordowl.co.uk>

In Relationships and Health Education next week, the children will continue to learn that we are created individually by God and that we can give thanks to God in different ways.

## Home Learning Tasks

Reading	Times Table Rock Stars	Spellings/Phonics
Please read at least 5x over the week. Remember that from next Wednesday your child will start bringing home their books. Please remember to write in their reading journals so we can count their reads. Remember that in their daily phonics lessons the children participate in reading activities.	As detailed above, you now have access to times table rockstars. Have fun working on counting in 10s and the 10 times table. To help your child with the games online, when children are presented with 2X10 for example, you could ask your child to count in 10s, perhaps presenting them with 2 wooden blocks or drawing 2 long lines to represent 10. The children are very experienced in counting in 10s. Have fun.	Every week we will detail the sounds the children have been recapping or have been introduced to during their phonics lessons. Please see the sounds we have focused on this week and once your child has read them with you, dictate a simple sentence for them to write containing some of the words listed and also ask them to practice handwriting the words.
