Year R

Date: 28.03.24

Thought for the Week:

This week we have been celebrating Holy Week! We led a Palm Sunday Service for the school on Tuesday and sang a song about it! Today we had a special service this afternoon and therefore didn't have a Gospel Value Celebration. However, we have finished our Big Lent Walk this week and we have all been working hard to show fortitude and to give hope to the fishermen who CAFOD will be helping with our donations.

Reminders:

End of Term

Happy Easter! I cannot believe we're already 2/3 of the way through the school year - it is going far too quickly! We have had lots of fun this half term with all of our visitors. We have also made great progress in our reading and writing and Mrs Phelan and I are excited to see the children progress more with this over the next term. We would like to thank you all for all of your support so far this year and we hope you have a lovely Easter break. We look forward to seeing all of the children again ready for a fun-filled term in April!

Tapestry

Let me know if you have any issues accessing Tapestry. If you would like us to show any Wow moments from home then please submit them on Tapestry and we will share them with the class.

RHE

During the first week back, we will be completing the lesson *Safe Inside and Out* from Module 2, unit 4. Building on learning about online safety from Unit 3: Life Online, through an interactive story where children have to help Freddy Teddy stay safe in various situations, children will explore different ways they can stay safe outside and inside themselves too. All this is underpinned by the religious teaching that we are created and loved by God, with bodies and minds that He wants us to keep safe.

Home Learning Tasks

Reading

Please read with your child at least 5x over the week.
Record any books they read (from school or home) in their reading diary.

Phonics

If you could practice some of the following over the Easter break, it would really support your child with their fine motor skills ready for next term: writing their name, dressing themselves (zips, buttons) arts and crafts (cutting, sticking, drawing, colouring),

playdough/plasticine sculptures, construction (lego etc)

Phonics

All Groups - This week's task is to complete the Easter themed colouring activity below.
