Class News

Please note that every week this will be the box containing important information about class events and reminders.

The children have worked hard this week and continue to impress us with their commitment to learning!

Thank you for attending our parent/teacher consultation meetings this week. It's a lovely opportunity for us to share the children's work with you.

Next Friday 20th October, to conclude our work on Old and New Toys in History, please could you give your child an old toy to bring to school for the day. If it could a toy their grandparents played with that would be fabulous, or a toy that you played with as a child, we'd greatly appreciate it. It will give us the opportunity to teach the children about comparing old and new toys by using real artefacts. Please be assured the toys will be returned at the end of the day.

Harvest Mass

Thank you to the families who were able to donate to our Harvest Thanksgiving Mass.

We appreciate your generosity and wish to thank our Year 5 and 6 children who, as part of our Mini Vinnies group, kindly collected and displayed the produce in preparation to deliver it to The Weymouth Foodbank.

We continue to thank you to those of you who have accessed Times Table Rockstars and our Oxford Reading Owl Reading Books. Please remember that your child's passwords for these platforms are stuck in their reading record books. To go to Times Table Rockstars, the link is:

Please note that as well as providing an online book for your child, a quiz is also assigned to help develop your child's comprehension skills.

A game to share this week:

The children have really enjoyed playing this one in class!

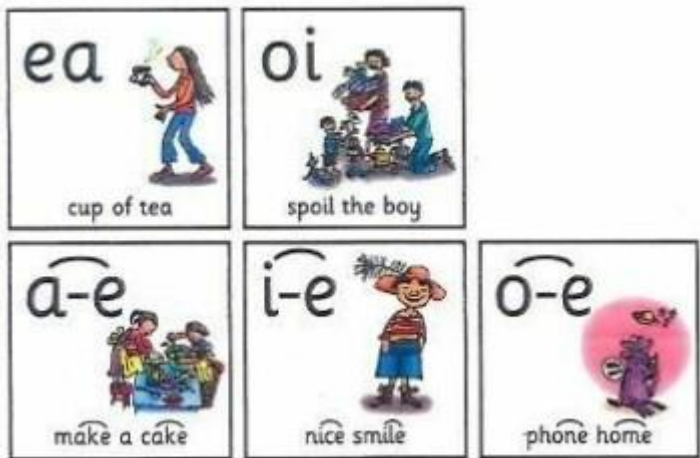

In Relationships and Health Education next week, the children will continue to learn that we are created individually by God and that we can give thanks to God in different ways.

Home Learning Tasks

Reading	Times Table Rock Stars	Spellings/Phonics
Please read at least 5x over the week. Please remember to write in their reading journals so we can count their reads. Remember that in their daily phonics lessons the children participate in reading activities.	As detailed above, you have access to times table rockstars. Have fun working on counting in 10s and the 10 times table. To help your child with the games online, when children are presented with 2X10 for example, you could ask your child to count in 10s, perhaps presenting them with 2 wooden blocks or drawing 2 long lines to represent 10. The children are very experienced in counting in 10s. Have fun.	The children who have purple RWI reading books have continued learning the Set 3 Sounds detailed overleaf. Please revisit all Set 2 sounds and the Set 3 sounds if your child has a purple, orange or yellow RWI book. If your child has a green RWI book please continue to focus on the Set 2 sounds. Thank you.
