- a) the Company admits a pupil to the Academy who has been permanently excluded from a maintained school, the Academy itself or another Academy with whom the LA has a similar agreement; or
- b) the Company permanently excludes a pupil from the Academy;

payment will flow between the Company and the LA in the same direction and for the same amount that it would, were the Academy a maintained school, under Regulations made under section 47 of the School Standards and Framework Act 1998 relating to the addition or deduction of a maintained school's budget following a permanent exclusion or the admission of a permanently excluded pupil. At the date of this Agreement, the applicable Regulation is Regulation 23 of the School Finance (England) Regulations 2011.

School Meals

32) The Company shall, if requested to do so by or on behalf of any pupils at any Academy, provide school lunches for those pupils unless it would be unreasonable for it to do so. Subject to the provisions of clause 33 charges may be levied for lunches, but the Company shall otherwise fund the cost of such school lunches from its GAG for **Mainstream Academies**, or from its resources for **Special Academies** and for **Alternative Provision Academies**.

33) In relation to a pupil who is himself or whose parents are in receipt of benefits mentioned in section 512ZB of the Education Act 1996 (or equivalent provision governing the entitlement to free school lunches of pupils at maintained schools), the Company shall ensure that a school lunch is provided for such a pupil free of charge to be funded by the Company.

Charging

34) Sections 402 (obligation to enter pupils for public examinations), 450 - 457 (charges), 459 (regulations about information about charges and school hours), 460 (voluntary contributions), 461 (recovery of sums as civil debt) and 462 (interpretation re charges) of the Education Act 1996 (including, for the avoidance of doubt, any secondary legislation made further to those provisions) shall be deemed to apply to each Academy with the following modifications:

- a) references to any maintained school shall be treated as references to an Academy;

- b) references to registered pupils shall be treated as references to registered pupils at an Academy;
- c) references to the governing body or the local authority shall, in each case, be treated as references to the Company;
- d) the Company may charge persons who are not registered pupils at an Academy for education provided or for facilities used by them at that Academy.
- e) the Company may charge registered pupils at the Academy for Early Years Provision provided in excess of the provision funded by the LA in accordance with its duty under section 7 of the Childcare Act 2006.

International Education Surveys

34A) Section 538A of the Education Act 1996 (power to direct participation in international surveys) shall be deemed to apply to each Academy with the following modifications:

- (a) references to the governing body shall be treated as references to the Company; and
- (b) references to a community, foundation or voluntary school shall be treated as references to the Academy.

Pupil Premium

34B) For **Mainstream Academies**, and those **Special Academies** that receive Pupil Premium Funding, the Company shall publish in each Academy Financial Year information in relation to:

- a) the amount of Pupil Premium allocation that it will receive during the Academy Financial Year;
- b) on what it intends to spend the Pupil Premium allocation;
- c) on what it spent its Pupil Premium in the previous Academy Financial Year;
- d) the impact in educational attainment, arising from expenditure of the previous Academy Financial Year's Pupil Premium.

DURATION OF SCHOOL DAY AND YEAR

34C) In respect of **Mainstream Academies and Alternative Provision Academies**, the duration of the school day and year will be the responsibility of the Company. **GRANTS TO BE PAID BY THE SECRETARY OF STATE**

General

35) The Secretary of State shall pay grants towards Recurrent Expenditure and may pay grants towards Capital Expenditure for each Academy. Except with the Secretary of State's prior agreement, the Company shall not budget for its expenditure in any Academy Financial Year in excess of expected income (subject to clause 80). The Company shall not enter into commitments which are likely to have substantial implications for future levels of grant, or for the period for which grant may be required. No decision by the Company shall commit the Secretary of State to paying any particular amount of grant.

35A) Grants paid by the Secretary of State (be they GAG, EAG or Capital Grant) shall not be used by the Company for Early Years Provision for which the Company is entitled to make a charge under clause 34(e) of this Agreement without the prior written consent of the Secretary of State except where the use of such funds is merely incidental to their use for the establishment and maintenance, carrying on or providing for the carrying on of the Academy.

36) "Recurrent Expenditure" means any expenditure on the establishment, conduct, administration and maintenance of the Academy which does not fall within the categories of capital expenditure set out at clause 37. The Secretary of State shall pay two separate and distinct grants in respect of recurrent expenditure: General Annual Grant ("GAG") and Earmarked Annual Grant ("EAG").

Capital Grant

37) "Capital Expenditure" means expenditure on:

- a) the acquisition of land and buildings;
- b) the erection, enlargement, improvement or demolition of any building including fixed plant, installation, wall, fence or other structure, or any playground or hard standing;
- c) the installation of electrical, mechanical or other services other than necessary replacements, repairs and maintenance due to normal wear and tear;

- d) the purchase of vehicles and other self-propelled mechanical equipment;
- e) the installation and equipping of premises with furnishings and equipment, other than necessary replacements, repairs and maintenance due to normal wear and tear;
- f) the installation and equipping of premises with computers, networking for computers, operating software and information and communication technology equipment, other than necessary updates or necessary replacements, repairs and maintenance due to normal wear and tear;
- g) the provision and equipping of premises, including playing fields and other facilities for social activities and physical recreation other than necessary replacements, repairs and maintenance due to normal wear and tear;
- h) works of a permanent character other than the purchase or replacement of minor day-to-day items;
- i) any major repairs or replacements which are specified as constituting capital expenditure in any grant letter relating to them;
- j) such other items (whether of a like or dissimilar nature to any of the foregoing) of a substantial or enduring nature as the Secretary of State may agree shall constitute capital expenditure for the purposes of this Agreement;
- k) all professional fees properly and reasonably incurred in connection with the provision of any of the above;
- l) VAT and other taxes payable on any of the above.

“Capital Grant” means grant paid to the Company in respect of Capital Expenditure.

38) Where an Academy is to open in new premises, or where existing premises are to be substantially refurbished or remodelled to enable the Academy to open in such premises, the Secretary of State, may, in his absolute discretion be responsible for meeting the incurred Capital Expenditure for that Academy. To that end, the Secretary of State will consider providing funding in accordance with any arrangements as he considers appropriate.

39) Any Capital Expenditure incurred in respect of each Academy on which Capital Grant payments are sought from the Secretary of State will require the specific prior written

agreement of the Secretary of State, which agreement shall not be unreasonably withheld or delayed.

40) Any payment of Capital Grant to the Company under this Agreement is subject to the fulfilment of the following conditions:

- a) such grants are used solely to defray expenditure approved by the Secretary of State;
- b) the Company certifying and providing evidence that all planning and other consents necessary for the development and all related infrastructure to be completed have been obtained or put in place;
- c) Any other conditions that the Secretary of State may specify.

Arrangements for Payment of Capital Grant

41) Capital Grant will be paid by the Secretary of State to the Company on the basis of claims for grant submitted to the Secretary of State in the notified format with supporting invoices and certificates as required by the Secretary of State. If a dispute arises as to whether a claim is or is not acceptable both parties undertake to attempt to resolve it in good faith. In the event of such a dispute, the Secretary of State shall pay to the Company so much of the claim as shall not be in dispute.

General Annual Grant

41A) GAG paid by the Secretary of State in respect of an Academy shall only be spent by the Company towards the normal running costs of the Academies.

42) Clauses 42A to 53 apply in respect of **Mainstream Academies** only.

42A) GAG will be paid by the Secretary of State to the Company in order to cover the normal running costs of each **Mainstream Academy**. These will include, but are not limited to:

- a) teachers' salaries and related costs (including full and part time teaching staff and seconded teachers);

- b) non-teaching staff salaries and related costs (including pension contributions, educational support staff, administrative and clerical staff and manual and premises related staff);
- c) employees' expenses;
- d) the purchase, maintenance, repair and replacement:
 - (i) of teaching and learning materials and other educational equipment, including books, stationery and ICT equipment and software, sports equipment and laboratory equipment and materials;
 - (ii) of other supplies and services;
- e) examination fees;
- f) repairs, servicing and maintenance of buildings (including redecoration, heating, plumbing, lighting etc); maintenance of grounds (including boundary fences and walls); cleaning materials and contract cleaning; water and sewage; fuel and light (including fuel oil, solid and other fuel, electricity and gas); rents; rates; purchase, maintenance, repairs and replacement of furniture and fittings;
- g) insurance;
- h) medical equipment and supplies;
- i) staff development (including in-service training);
- j) curriculum development;
- k) the costs of providing school meals for pupils (including the cost of providing free school meals to pupils who are eligible to receive them), and discretionary grants to pupils to meet the cost of pupil support, including support for pupils with special educational needs or disabilities (taking account of the fact that separate additional money will be available for pupils with statements of special educational needs);
- l) administration; and
- m) establishment expenses and other institutional costs.

43) Subject to clauses to 51-52, GAG for each Academy Financial Year for each **Mainstream Academy** will include:

- a) funding equivalent to that which would be received by a maintained school with similar characteristics, determined by the Secretary of State and notified in the Annual Letter of Funding or its equivalent, taking account of the number of pupils at each Academy;
- b) funding in respect of functions which would be carried out by the LA if each Academy was a maintained school.

44) The GAG for each Academy Financial Year for each **Mainstream Academy** will also include, payable on a basis equivalent to that applied to maintained schools:

- a) funding for matters for which it is necessary for that Academy to incur extra costs, for as long as those costs are deemed necessary by the Secretary of State; and
- b) payments in respect of further, specific grants made available to maintained schools, where the relevant Academy meets the requisite conditions and criteria necessary for a maintained school to receive these grants, such payments to be at the discretion of the Secretary of State.

45) Subject to clause 47, the basis of the pupil number count for the purposes of determining GAG for the Academy Financial Year in which a **Mainstream Academy** opens shall be the same basis as that used by the Local Authority for determining the budget share of the predecessor maintained school as adjusted by numbers counted in any subsequent Schools Census, as determined by the Secretary of State.

46) Subject to clause 47 the basis of the pupil number count for the purpose of determining GAG for a **Mainstream Academy** for Academy Financial Years after the Academy Financial Year in which the Academy opens will be:

- a) for the pupil number count for pupils in Year 11 and below, the Schools Census which is used to fund maintained schools for the financial year overlapping with the Academy Financial Year in question; and
- b) for the pupil number count for pupils in Year 12 and above, the formula which for the time being is in use for maintained schools for the calculation of pupil

numbers for pupils in Year 12 and above for the purpose of calculating their level of funding.

47) Where either of the following conditions applies in respect of an Academy Financial Year, the basis of the pupil count shall be determined by the Secretary of State, taking account of any diseconomies of scale that the Academy will be under as a result of such condition(s) applying. The conditions are:

- a) not all planned Year-groups will be present at the Academy (that is, not all the pupil cohorts relevant to the age-range of the Academy will have some pupils present); or
- b) the total number of pupils as measured in the Schools Census which is used to fund maintained schools for the financial year overlapping with the Academy Financial Year in question is less than 90% of the planned final size of the Academy, as specified in the Academy's Supplemental Agreement, and has not at any previous time been 90% or more of that number.

48) For any Academy Financial Year in which GAG for a **Mainstream Academy** has been calculated in accordance with clause 45, no adjustment shall be made to the following Academy Financial Year's formula funding element of GAG for that Academy to recognise variation from the pupil count basis used.

49) For any Academy Financial Year in which GAG for a **Mainstream Academy** is calculated in accordance with clause 46, no adjustment will be made to the formula funding element in the following Academy Financial Year's formula funding element of GAG unless the Company demonstrates to the satisfaction of the Secretary of State that there has been a significant impact on balances. For any other element of GAG the Secretary of State may make adjustments to recognise a variation in pupil numbers from that used to calculate the element of grant in question; the basis of these will be set out in the annual letter of funding.

50) The Secretary of State recognises that:

- a) in relation to **Mainstream Academies** which open with intakes representing only a proportion of the final planned size of the Academy, payments based simply upon the number of pupils present are unlikely to be sufficient to meet the Academy's needs in the Academy Financial Years before all age groups are present at their planned size (the "Start-up Period") because of a lack of economies of scale. The

Secretary of State may pay an appropriately larger GAG in the Start-up Period than would be justified solely on the basis of the methods set out in clauses 43-49, in order to enable the Academy to operate effectively;

- b) in relation to **Mainstream Academies** which open with pupils transferred from one or more maintained schools which have closed, additional GAG resources may be required to take account of transitional costs including any costs associated with supporting the integration of pupils from the closed schools and, where necessary, to offer a dual curriculum. If the Secretary of State has indicated that such additional GAG will be payable, the Company will make a bid for this addition to GAG based upon need and providing appropriate supporting evidence.

51) During the Start-up Period or during the period when year groups are present who have transferred from a predecessor school or schools, the Secretary of State will pay a further element of GAG additional to that calculated in accordance with the methods set out in clauses 43-49 to allow the relevant **Mainstream Academy** to:

- a) purchase a basic stock of teaching and learning materials (including library books, text books, software, stationery, science equipment and equipment for physical education) and other consumable materials;
- b) meet the costs associated with the recruitment and induction of additional teaching and other staff.

After the Start-up Period these costs will be met through the ordinary GAG.

52) The Secretary of State recognises that if he serves notice of intention to terminate a Supplemental Agreement under that agreement the intake of new pupils during the notice period is likely to decline and that in such circumstances payments based simply upon the number of pupils attending the relevant **Mainstream Academy** are unlikely to be sufficient to meet the Academy's needs during the notice period. The Secretary of State may undertake to pay a reasonable and appropriately larger GAG with respect to that Academy in the notice period than would be justified solely on the basis of the methods set out in clauses 43-49, in order to enable the Academy to operate effectively.

53) The Secretary of State also recognises that if this Agreement or a Supplemental Agreement is terminated for any reason by either party the number of pupils at the relevant **Mainstream Academy or Mainstream Academies** is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such

termination in good faith and with the aim of protecting the interests and the education of the pupils at the Academy.

54) Not used.

54AAA) Clauses 54AA to 54H apply in respect of **Special Academies** only.

54AA) GAG will be paid by the Secretary of State to the Company as a contribution towards the normal running costs of each **Special Academy**. These will include, but are not limited to:

- a. teachers' salaries and related costs (including full and part time teaching staff and seconded teachers);
- b. non-teaching staff salaries and related costs (including pension contributions, educational support staff, administrative and clerical staff and manual and premises related staff);
- c. employees' expenses;
- d. the purchase, maintenance, repair and replacement:
 - (i) of teaching and learning materials and other educational equipment, including books, stationery and ICT equipment and software, sports equipment and laboratory equipment and materials;
 - (ii) of other supplies and services;
- e. examination fees;
- f. repairs, servicing and maintenance of buildings (including redecoration, heating, plumbing, lighting etc); maintenance of grounds (including boundary fences and walls); cleaning materials and contract cleaning; water and sewage; fuel and light (including fuel oil, solid and other fuel, electricity and gas); rents; rates; purchase, maintenance, repairs and replacement of furniture and fittings;
- g. insurance;
- h. medical equipment and supplies;
- i. staff development (including in-service training);

- j. curriculum development;
- k. the costs of providing school meals for pupils (including the cost of providing free school meals to pupils who are eligible to receive them), and discretionary grants to pupils to meet the cost of pupil support, including support for pupils with special educational needs or disabilities (taking account of the fact that separate additional money will be available for pupils with statements of special educational needs);
- l. administration; and
- m. establishment expenses and other institutional costs.

54A) Subject to clauses 54E – 54F, GAG for each Financial Year for each **Special Academy** will include:

- a) funding equivalent to that which would be received by a maintained special school with similar characteristics, determined by the Secretary of State and notified in the Annual Letter of Funding or its equivalent, taking account of the number of pupils at each Academy;
- b) funding in respect of functions which would be carried out by the LA if each Academy was a maintained special school.

54B) The GAG for each Academy Financial Year for each **Special Academy** will also include, payable on a basis equivalent to that applied to maintained special schools:

- a) funding for matters for which it is necessary for that Academy to incur extra costs, for as long as those costs are deemed necessary by the Secretary of State; and
- b) payments in respect of further, specific grants made available to maintained special schools, where the relevant Academy meets the requisite conditions and criteria necessary for a maintained school to receive these grants, such payments to be at the discretion of the Secretary of State.

54C) The Secretary of State will determine GAG for each **Special Academy** for each Academy Funding Year. The determinations will be made taking into account relevant factors. Arrangements for this will be set out in the Annual Letter of funding or its equivalent.

54D) The Secretary of State may make provision, within his absolute discretion, for GAG to be adjusted in-year if the number of pupils attending the relevant academy at specified

dates exceeds or falls below thresholds specified by letter. Arrangements for this will be set out in the Annual Letter of Funding.

54E) The Secretary of State recognises that a larger GAG may be appropriate to meet additional costs during the start-up period, and may pay start-up grant, on a basis determined by him, during that period, the length of which will be stipulated in the Annual Letter of Funding.

54F) The Secretary of State recognises that if he serves notice of intention to terminate a Supplemental Agreement, the intake of new pupils during the notice period is likely to decline and that in such circumstances payments based on a number of places related to the number of pupils attending the relevant **Special Academy** are unlikely to be sufficient to meet the Academy's needs during the notice period. The Secretary of State may undertake to pay a reasonable and appropriately larger GAG with respect to that Academy in the notice period than would be justified solely on the basis of the methods set out in clauses 54A-54D, in order to enable the Academy to operate effectively.

54G) The Secretary of State also recognises that if this Agreement or a Supplemental Agreement is terminated for any reason by either party the number of pupils at the relevant **Special Academy or Special Academies** is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such termination in good faith and with the aim of protecting the interests and the education of the pupils at the Academy.

54H) Not used.

54I) Clauses 54J to 54P apply in respect of **Alternative Provision Academies** only.

54J) GAG will be paid by the Secretary of State to the Company as a contribution to the normal running costs of the **Alternative Provision Academy**. These will include, but are not limited to:

- a) teachers' salaries and related costs (including full and part time teaching staff and seconded teachers);
- b) non-teaching staff salaries and related costs (including pension contributions, educational support staff, administrative and clerical staff and manual and premises related staff);
- c) employees' expenses;

- d) the purchase, maintenance, repair and replacement:
 - (i) of teaching and learning materials and other educational equipment, including books, stationery and ICT equipment and software, sports equipment and laboratory equipment and materials;
 - (ii) of other supplies and services;
- e) examination fees;
- f) repairs, servicing and maintenance of buildings (including redecoration, heating, plumbing, lighting etc); maintenance of grounds (including boundary fences and walls); cleaning materials and contract cleaning; water and sewage; fuel and light (including fuel oil, solid and other fuel, electricity and gas); rents; rates; purchase, maintenance, repairs and replacement of furniture and fittings;
- g) insurance;
- h) medical equipment and supplies;
- i) staff development (including in-service training);
- j) curriculum development;
- k) the costs of providing school meals for pupils (including the cost of providing free school meals to pupils who are eligible to receive them), and discretionary grants to pupils to meet the cost of pupil support, including support for pupils with special educational needs or disabilities (taking account of the fact that separate additional money will be available for pupils with statements of special educational needs);
- l) administration; and
- m) establishment expenses and other institutional costs.

54K) Subject to clause 54M, GAG for each Academy Financial Year for each **Alternative Provision Academy** will include:

- a) funding determined by the Secretary of State and notified in the Annual Letter of Funding or its equivalent, taking account of the number of pupils and/or places at the Alternative Provision Academy;
- b) funding in respect of functions which would be carried out by the local authority if

the Alternative Provision Academy were a maintained school.

- c) funding for matters for which it is necessary for the Alternative Provision Academy to incur extra costs, for as long as those costs are deemed necessary by the Secretary of State; and
- d) payments in respect of further, specific grants made available to Pupil Referral Units maintained by the local authority, where the Alternative Provision Academy meets the requisite conditions and criteria necessary for a Pupil Referral Unit maintained by the local authority to receive these grants.

54L) For each **Alternative Provision Academy**, the Secretary of State will determine GAG for each Academy Financial Year. The determination will be made taking into account relevant factors. Arrangements for this will be set out in the Annual Letter of Funding or its equivalent.

54M) For each **Alternative Provision Academy**, the Secretary of State may make provision, within his absolute discretion, for GAG to be adjusted in-year if the number of pupils attending the relevant Alternative Provision Academy at specified dates exceeds or falls below thresholds specified by letter. Arrangements for this will be set out in the Annual Letter of Funding or its equivalent.

54N) The Secretary of State recognises that if he serves notice of intention to terminate this Agreement, the intake of new pupils during the notice period is likely to decline and that in such circumstances the total income of the relevant **Alternative Provision Academy** is unlikely to be sufficient. In such circumstances payments based simply upon the number of pupils attending that Academy are unlikely to be sufficient to meet the Academy's needs during the notice period. The Secretary of State may undertake to pay a reasonable and appropriately larger GAG with respect to the Alternative Provision Academy in the notice period than would be justified solely taking into account factors at clause 54J in order to enable the Alternative Provision Academy to operate effectively.

54O) The Secretary of State also recognises that if this Agreement is terminated for any reason by either party the number of pupils at the relevant **Alternative Provision Academy** is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such termination in good faith and with the aim of protecting the interests and the education of the pupils at the Alternative Provision Academy.

Earmarked Annual Grant

55) Earmarked Annual Grant ("EAG") may be paid by the Secretary of State to the Company in respect of either Recurrent Expenditure or Capital Expenditure for such specific purposes as may from time to time be agreed between the Secretary of State and the Company and as described in the relevant funding letter. The Company shall only spend EAG in accordance with the scope, terms and conditions of the grant set out in the relevant funding letter.

56) Where the Company is seeking a specific EAG in relation to any Academy Financial Year, it shall submit a letter outlining its proposals and the reasons for its request to the DfE.

Arrangements for Payment of GAG and EAG

57) The Secretary of State shall notify the Company at a date preceding the start of each Academy Financial Year of the GAG and EAG figures in respect of each Academy which, subject to Parliamentary approval, the Secretary of State plans for that Academy Financial Year and of the assumptions and figures on which these are based.

58) If GAG or EAG is calculated incorrectly due to a mistake of the Secretary of State then:

- a) if this leads to an underpayment of GAG, the Secretary of State will correct the underpayment in subsequent Academy Financial Years;
- b) if this leads to an overpayment of GAG, the Secretary of State reserves the right to recover any overpaid grant in subsequent Academy Financial Years, as appropriate, having considered all the relevant circumstances and taking into account any representations from the Company.

59) If GAG or EAG is calculated incorrectly because the Company provides incorrect information to the Secretary of State then:

- a) if this leads to an underpayment of GAG, the Secretary of State may correct the underpayment in subsequent Academy Financial Years;
- b) if this leads to an overpayment of GAG, the Secretary of State reserves the right to recover any overpaid grant in subsequent Academy Financial Years, as appropriate, having considered all the relevant circumstances and taking into account any representations from the Company.

60) The amounts of GAG for an Academy Financial Year will be determined annually by the Secretary of State. The amount of GAG for each Academy for the initial Academy Financial Year will be notified to the Company in a funding letter at a date preceding that year. For subsequent years the amount of GAG will be notified to the Company in a funding letter preceding that Academy Financial Year (the "Annual Letter of Funding"). The Annual Letter of Funding will not include the amount that the Company will receive in respect of grants for which information to enable timely calculation is not available or is incomplete, such grants will be notified as soon as practicable later in the year. Amounts of EAG will be notified to the Company wherever possible in the Annual Letter of Funding or its equivalent as soon as practicable thereafter.

61) The Secretary of State undertakes to pay GAG in monthly instalments on or before the twenty-fifth day of each month, each such instalment to fund the salaries and other payroll costs for the relevant month of all monthly paid employees and all other costs payable during the next following month. The detailed arrangements for payment will be set out in the Annual Letter of Funding or its equivalent.

Other relevant funding

62) Not used.

62A) Not used.

63) The Secretary of State may meet costs incurred by the Company in connection with the transfer of employees from any predecessor school under the Transfer of Undertakings (Protection of Employment) Regulations 2006. Payment of grant in respect of such costs is to be agreed between the parties on a case by case basis and the Company shall not budget on the basis that it will receive any grant in respect of such costs unless it is specifically notified that such grant will be paid.

64) The Company may also receive funding from an LA in respect of the provision detailed in statements of SEN for pupils attending an Academy in accordance with the provisions of Section 483A of the Education Act 1996 and regulations made under that section. The Company shall ensure that all provision detailed in statements of SEN is provided for such pupils.

65) Not used.

67) In relation to the use of grant paid to the Company by the Secretary of State, the Company shall abide by the requirements of, and have regard to the guidance in, the Academies Financial Handbook published by the DfE and amended from time to time and as modified to take account of the fact that the Company manages more than one Academy which sets out in detail provisions for the financial management of each Academy including guidance on financial systems and controls and accounting and reporting requirements, in so far as these are not inconsistent with any accounting and reporting requirements and guidance that it may be subject to by virtue of its being a charity.

67A) The Company shall abide by the requirements of the current 16 to 19 Funding Guidance published by the Secretary of State and as amended from time to time, or such other guidance on 16 to 19 funding issued by the Secretary of State as may from time to time be applicable, in respect of any of its provision for persons who are above compulsory school age until the academic year in which they reach the age of 19.

68) The formal budget plan must be approved each Academy Financial Year by the Directors of the Company.

69) Any payment of grant by the Secretary of State in respect of each Academy is subject to his being satisfied as to the fulfilment by the Company of the following conditions:

- a) in its conduct and operation it shall apply financial and other controls which conform to the requirements both of propriety and of good financial management;
- b) arrangements have been made to maintain proper accounting records and that statements of income and expenditure and balance sheets may be produced in such form and frequency as the Secretary of State may from time to time reasonably direct;

Charity and/or in such form or manner and by such date as the Secretary of State may reasonably direct and shall file these with the Secretary of State and the Principal Regulator each Academy Financial Year;

- d) a statement of the accounting policies used should be sent to the Secretary of State with the financial statements and should carry an audit report stating that, in the opinion of the auditors, the statements show a true and fair view of the Company's affairs and that the grants were used for the purposes intended;
- e) the Company shall ensure that its accounts are audited annually by independent auditors appointed under arrangements approved by the Secretary of State;
- f) the Company prepares and files with the Companies Registry such annual accounts as are required by the Companies Act 2006;

- h) the Company insures or procures insurance by another person of its assets in accordance with normal commercial practice or under the terms of any subsisting leases in respect of the leasehold interest of the site upon which each Academy is situated.

70) In addition, and at his expense, the Secretary of State may instruct auditors to report to him on the adequacy and effectiveness of the accounting systems and internal controls maintained by the Company to standards determined by the Secretary of State and to make recommendations for improving the financial management of the Company.

71) The books of accounts and all relevant records, files and reports of the Company including those relating to financial controls, shall be open at all reasonable times to officials of the DfE and the National Audit Office and to contractors retained by the DfE or the National Audit Office for inspection or the carrying out of value for money studies; and the Company shall secure that those officials and contractors are given reasonable assistance with their enquiries. For the purposes of this clause 'relevant' means in any way relevant to the provision and use of grants provided by the Secretary of State under this Agreement.

72) The Company shall submit information in relation to the finances of each Academy to the Secretary of State in accordance with the requirements of the Academies Financial Handbook as amended from time to time, or as otherwise specified from time to time by the Secretary of State.

73) At the beginning of any Academy Financial Year the Company may hold unspent GAG for any Academy from previous Academy Financial Years amounting to such percentage (if any) as for the time being specified in the Academies Financial Handbook or otherwise as the Secretary of State may specify by notice in writing to the Company prior to the beginning of that Academy Financial Year of the total GAG payable for the Academy in the Academy Financial Year just ended or such higher amount as may from time to time be agreed. The Company shall use such carried forward amount for such purpose, or subject to such restriction on its use, as for the time being specified in the Academies Financial Handbook or otherwise as the Secretary of State may specify by notice in writing to the Company.

74) Notwithstanding clause 73 any additional grant provided over and above that:

a) set out in clauses 43-49 in relation to **Mainstream Academies** and made in accordance with clauses 50-52 may be carried forward without limitation or deduction until the Start-up Period or the circumstances set out in clause 52 come to an end.

c) set out in clauses 54K-54M in relation to **Alternative Provision Academies** and made in accordance with clauses 54N may be carried forward without limitation or deduction until the circumstances set out in clause 54N come to an end.

75) Any unspent GAG not allowed to be carried forward under clauses 73-74 may be taken into account in the payment of subsequent grant.

75A) GAG paid by the Secretary of State shall only be used by the Company for the educational charitable purpose of advancing for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing Academies offering a broad and balanced curriculum. Such funds shall not be used by the Company for any

other charitable purpose without the prior written consent of the Secretary of State, except where the use of such funds for that charitable purpose is merely incidental to their use for the educational charitable purpose of advancing for the public benefit education in the United Kingdom.

76) The Company may also spend or accumulate funds from private sources or public sources other than grants from the Secretary of State for application to the benefit of an Academy as it sees fit. Any surplus arising from private sources or public sources other than grants from the Secretary of State shall be separately identified in the Company's balance sheet.

77) The Company shall not, in relation to assets or property funded (whether in whole or in part) by the Secretary of State or otherwise coming within the meaning of publicly funded land as defined by paragraph 22(3) of Schedule 1 to the Academies Act 2010, without the prior written consent of the Secretary of State which shall not be unreasonably withheld or delayed:

- a) except such as are given in normal contractual relations, give any guarantees, indemnities or letters of comfort above a value as for the time being specified in the Academies Financial Handbook or otherwise as the Secretary of State may specify by notice in writing to the Company from time to time;
- b) write off any debts or liabilities owed to it, nor offer to make any ex gratia payments (such as staff severance or compensation payments), above a value as for the time being specified in the Academies Financial Handbook or otherwise as the Secretary of State may specify by notice in writing to the Company from time to time;
- c) except as may be permitted in the Academies Financial Handbook or otherwise as the Secretary of State may specify by notice in writing to the Company, make any sale or purchase of or otherwise dispose of freehold or leasehold property including entering into a contract to dispose of land or granting an option to acquire an interest in land; or
- d) take up any leasehold or tenancy agreement for a term exceeding three years.

78) The Company shall provide 30 days' prior written notice to the Secretary of State, whether or not the circumstances require the Secretary of State's consent, of its intention to:

- a) give any guarantees, indemnities or letters of comfort;

- b) write off any debts owed to it or offer to make any ex gratia payments;
- c) make any sale or purchase of or otherwise dispose of freehold or leasehold property including entering into a contract to dispose of land or granting an option to acquire an interest in land; or
- d) take up any leasehold or tenancy agreement for a term exceeding three years.

79) Each discovered loss of an amount exceeding the amount for the time being specified by the Secretary of State and arising from suspected theft or fraud, shall be reported by the Company to the Secretary of State at the earliest opportunity.

80) It is the responsibility of the Company to ensure that each Academy balances its budget from Academy Financial Year to Academy Financial Year. For the avoidance of doubt, this does not prevent the Company from:

- a) subject to clause 73, carrying a surplus from one Academy Financial Year to the next; or
- b) carrying forward from a previous Academy Financial Year or Academy Financial Years a sufficient surplus or sufficient cumulative surpluses on grants from the Secretary of State to meet an in-year deficit on such grants in a subsequent financial year; or
- c) incurring an in-year deficit on funds from sources other than grants from the Secretary of State in any Academy Financial Year, provided it does not affect the Company's responsibility to ensure that the Company balances its overall budget from Academy Financial Year to Academy Financial Year.

80A The Company shall abide by the requirements of and have regard to the Charity Commission's guidance to charities and charity trustees and in particular the Charity Commission's guidance in Protecting Charities from Harm ('the compliance toolkit'). Any references in this document which require charity trustees to report to the Charity Commission should instead be interpreted as references to report to the Principal Regulator.

Borrowing Powers

81) Except as may be permitted by the Academies Financial Handbook (and amended from time to time) or otherwise as the Secretary of State may specify by notice in writing

to the Company, the Company shall not borrow against or so as to put at risk property or assets funded (whether in whole or in part) by the Secretary of State without specific approval of the Secretary of State, such approval may only be granted in limited circumstances. The Company shall not operate an overdraft except to cover irregularities in cash flow. Such an overdraft, and the maximum amount to be borrowed, shall require approval by the Company in General Meeting and in writing by the Secretary of State, and shall be subject to any conditions which the Secretary of State may reasonably impose.

82) The Company shall provide 30 days' written notice to the Secretary of State of its intention to borrow, whether or not such borrowing requires the Secretary of State's approval under clause 81 above.

Disposal of Assets

83) Where the Company acquires assets for a nil consideration or at an under value it shall be treated for the purpose of this Agreement as having incurred expenditure equal to the market value of those assets at the time that they were acquired. This provision shall not apply to assets transferred to the Company at nil or nominal consideration and which were previously used for the purposes of an Academy and/or were transferred from an LA, the value of which assets shall be disregarded.

84) The sale or disposal by other means, or reinvestment of proceeds from the disposal, of a capital asset by the Company shall require the consent of the Secretary of State, such consent not to be unreasonably withheld or delayed, where:

- a) the Secretary of State paid capital grant in excess of the value for the time being specified by the Secretary of State for the asset; or
- b) the asset was transferred to the Company from an LA for no or nominal consideration.

85) Furthermore, reinvestment of a percentage of the proceeds of disposal of a capital asset paid for with a capital grant from the Secretary of State shall require the Secretary of State's consent in the circumstances set out above and reinvestment exceeding the value for the time being specified by the Secretary of State or with other special features will be subject to Parliamentary approval. The percentage of the proceeds for which consent is needed is the percentage of the initial price of the asset which was paid by capital grant from the Secretary of State.

86) This clause applies in the event, during the lifetime of this Agreement, of the disposal of a capital asset for which capital grant of any amount was paid by the Secretary of State, where the asset was acquired by the Company. In this event, the Company shall repay to the Secretary of State the same proportion of the proceeds of the disposal as equates with the proportion of the original cost met by the Secretary of State, unless the Secretary of State agrees to some or all of the proceeds being retained by the Company for its charitable purposes.

87) This clause applies in the event, during the lifetime of this Agreement, that the Secretary of State consents to the disposal of an asset which was transferred to the Company from an LA for no or nominal consideration. In this event the Secretary of State may give consent on the basis that all or part of the proceeds of the disposal should be made over to the LA from which the asset was transferred, taking into account the amount of the proceeds to be reinvested by the Company. The Secretary of State will have regard to any representations from the Company and the LA from which the asset was transferred before giving consent under this clause.

88) Except with the consent of the Secretary of State, the Company shall not dispose of assets funded (whether in whole or in part) by the Secretary of State for a consideration less than the best price that can reasonably be obtained, such consent not to be unreasonably withheld or delayed.

89) The Company shall provide 30 days' written notice to the Secretary of State of its intention to dispose of assets for a consideration less than the best price that can reasonably be obtained, whether or not such disposal requires the Secretary of State's consent under clause 88 above.

90) This Agreement shall commence on the date hereof and continue until terminated in accordance with clause 91 or until all Supplemental Agreements have terminated.

91) The Secretary of State may at any time by notice in writing terminate this Agreement and each of the Supplemental Agreements such termination to take effect on the date of the notice, on the occurrence, or where in his reasonable opinion there is a serious risk of occurrence, of any of the following events:-

c) the Company is unable to pay its debts within the meaning of Section 123 of the Insolvency Act 1986 provided that, for the purposes of this Clause, Section 123 (1)(a) of the Insolvency Act 1986 shall have effect as if the amount of £10,000 was substituted for £750. The Company shall not be deemed unable to pay its debts for the purposes of this clause if any such demand as is mentioned in the said Section is being contested in good faith by the Company; or

d) the Company has a receiver and manager (with the exception of Receivers and Managers or Interim Managers appointed by the Charity Commission under the Charities Act 2011 or any subsequent re-enactment of that Act), administrator or administrative receiver appointed over all or any part of its undertakings, assets or income; or

e) any distraint, execution or other process is levied or enforced on any of the Company's property and is not paid out, withdrawn or discharged within fifteen Business Days; or

93) Not used.

(b) in the Control of a legal entity that Controls the Company.

Provided that where a person ('P') is a member or director of the body corporate (as a corporation sole or otherwise) by virtue of an office, no change of Control arises merely by P's successor becoming a member or director in P's place.

93B) The Company shall notify the Secretary of State in writing of any change or proposed change of Control within the meaning of clause 93A) above, as soon as reasonably practicable after it has become aware of any such change, or proposed change, of Control.

93C) When notifying the Secretary of State further to clause 93B), the Company may seek the Secretary of State's agreement that, if he is satisfied that the person assuming Control is suitable, he will not in those circumstances exercise his right to terminate this Agreement further to clause 93A).

5.6 shall invite the Company to respond with any representations within a specified timeframe.

5.8 Where the Secretary of State has given notice of his intention to terminate this Agreement in accordance with clauses 5.6 and 5.7 and –

- (a) he has not received any representations from the Company within the timeframe specified in clause 5.7; or
- (b) having considered the representations made by the Company pursuant to clause 5.7, the Secretary of State remains satisfied that it is appropriate to terminate this Agreement

he may by notice in writing terminate this Agreement with effect from a specified date.

Termination with Immediate Effect

5.9 If the Secretary of State has cause to serve a notice on the Company under section 165 of the Education Act 2002 and a determination (from which all rights of appeal have been exhausted) has been made that the Academy shall be struck off the Register of Independent Schools, he may terminate this Agreement by notice in writing to the Company such termination to take effect on the date of the notice.

Notice of Intention to Terminate by Company

5.10 The Secretary of State shall, at a date preceding the start of each Academy Financial Year, provide to the Company an indication of the level of funding to be provided by the Secretary of State to the Company by way of GAG and EAG in the next following Academy Financial Year (the “**Indicative Funding**”). If the Company is of the opinion that, after receipt of the Indicative Funding for the next following Academy Financial Year (the “**Critical Year**”) and of the taking into account all other resources available and likely to be available to the Academy, including such funds as are set

Multi Academy Model
Mainstream

out in clause 73 of the Master Agreement and such other funds as are and likely to be available to the Academy from other academies operated by the Company ("**All Other Resources**"), it is likely that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding, to become insolvent (and for this reason only) then the Company may give notice of its intention to terminate this Agreement at the end of the then current Academy Financial Year.

5.11 Any notice given by the Company under clause 5.10 shall be in writing and shall be served on the Secretary of State not later than 28 February preceding the Critical Year or, if the Secretary of State shall not have given notice of the Indicative Funding to the Company on or before the date specified in clause 5.10 above, within six weeks after the Secretary of State shall have done so. The notice must specify:

5.11.1.the grounds upon which the Company's opinion is based and include the evidence of those grounds and any professional accounting advice the Company has received and including a detailed statement of steps which the Company proposes to take with a view to ensuring that as soon as reasonably practicable the costs of running the Academy are reduced sufficiently to ensure that such costs are less than the Indicative Funding and All Other Resources and the period of time within which such steps will be taken; and

5.11.2.the shortfall in the Critical Year between the Indicative Funding and All Other Resources expected to be available to the Company to run the Academy and the projected expenditure on the Academy; and

5.11.3.a detailed budget of income and expenditure for the Academy during the Critical Year (the "**Projected Budget**").

5.12 Both parties undertake to use their best endeavours to agree whether or not the cost of running the Academy during the Critical Year would cause

the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent. Both parties recognise that they will need to engage in a constructive dialogue at the time about how best to provide education for the pupils at the Academy and undertake to use their best endeavours to agree a practical solution to the problem.

5.13 If no agreement is reached by 30 April (or such other date as may be agreed between the parties) as to whether the cost of running the Academy during the Critical Year on the basis of the Indicative Funding and All Other Resources would cause the Company to become insolvent, then that question shall be referred to an independent expert (the "**Expert**") for resolution. The Expert's determination shall be final and binding on both parties. The Expert shall be requested to specify in his determination the amount of the shortfall in funding (the "**Shortfall**"). The Expert shall be an insolvency practitioner with significant professional experience of educational institutions or academies. If the parties fail to agree upon the appointment of the Expert then the Expert shall be appointed by the President for the time being of the Institute of Chartered Accountants in England and Wales. The Expert's fees shall be borne equally between the parties.

5.14 The Expert shall be required in reaching his determination to take account of advice from an educational specialist who is professionally familiar with the issues arising from the budget management of schools. If the parties fail to agree upon the appointment of the educational specialist then the educational specialist shall be appointed by the Chairman for the time being of the Specialist Schools and Academies Trust. The educational specialist's fees shall be borne equally between the parties.

5.15 If the Expert determines that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent, and the Secretary of State shall not have agreed to provide sufficient additional funding to cover the Shortfall, then the Company shall be entitled to terminate this

Agreement, by notice expiring on 31 August prior to the Critical Year. Any such notice shall be given within 21 days after (a) the Expert's determination shall have been given to the parties or (b), if later, the Secretary of State shall have given written notice of his refusal to provide sufficient additional funding for the Academy to cover the Shortfall.

6 EFFECT OF TERMINATION

6.1 In the event of termination of this Agreement however occurring, the school shall cease to be an Academy within the meaning of Sections 1 and 1A of the Academies Act 2010.

6.2 Subject to clauses 6.3 and 6.4, if the Secretary of State terminates this Agreement pursuant to clause 5.1 of this Agreement, the Secretary of State shall indemnify the Company. If the Secretary of State terminates this Agreement otherwise than pursuant to clause 5.1 of this Agreement, the Secretary of State may in his absolute discretion indemnify or (to such extent if any as he may in his absolute discretion consider appropriate) compensate the Company.

6.3 The amount of any such indemnity or compensation shall be determined by the Secretary of State having regard to any representations made to him by the Company, and shall be paid at such times and in such manner as the Secretary of State may reasonably think fit.

6.4 The categories of expenditure incurred by the Company in consequence of the termination of the Agreement in respect of which the Secretary of State shall (where the Secretary of State terminates this Agreement pursuant to clause 5.1) indemnify the Company and may (where the Secretary of State terminates this Agreement otherwise than pursuant to clause 5.1) in his absolute discretion indemnify or compensate the Company include (but not by way of limitation), staff compensation and redundancy payments, compensation payments in respect of broken contracts, expenses of disposing of assets or adapting them for other purposes, legal and other professional fees, and dissolution expenses.

6.5 Subject to clause 6.6, on the termination of this Agreement however occurring, the Company shall in respect of any of its capital assets at the date of termination:

(a) promptly transfer a proportion of the assets to a person nominated by the Secretary of State, if the Secretary of State considers that all or some of those assets need to be used for any educational purposes by that nominee. The proportion of the assets to be transferred shall be the same as the proportion of the capital contribution made by the Secretary of State to the original value of those assets, whether that contribution was made on the establishment of the Academy or at a later date; or

(b) if the Secretary of State confirms that a transfer under clause 6.5(a) is not required, promptly repay to the Secretary of State a sum equivalent to the percentage of the value of the assets at the date of termination, or, by agreement with the Secretary of State, at the date of subsequent disposal of those assets. Such percentage to be the same as the percentage of the capital contribution made by the Secretary of State to the original value of those assets, whether that contribution was made on the establishment of the Academy or later.

6.6 The Secretary of State may waive in whole or in part the repayment due under clause 6.5(b) if:

a) the Company obtains his permission to invest the proceeds of sale for its charitable objects; or

b) the Secretary of State directs all or part of the repayment to be paid to the LA.

6.7 The sale or disposal by other means of publicly funded land held for the purposes of an Academy is now governed by Part 3 of Schedule 1 to the Academies Act 2010.

6.3 A Director may benefit from any indemnity insurance purchased at the Company's expense to cover the liability of the Directors which by virtue of any rule of law would otherwise attach to them in respect of any negligence, default or breach of trust or breach of duty of which they may be guilty in relation to the Company; Provided that any such insurance shall not extend to:

- (f) a majority of the Directors then in office have received no such payments or benefit.

If there are not within the United Kingdom sufficient Directors to call a general meeting, any Director or any Member of the Company may call a general meeting.

NOTICE OF GENERAL MEETINGS

21. General meetings shall be called by at least fourteen clear days' notice but a general meeting may be called by shorter notice if it is so agreed by a majority

in number of Members having a right to attend and vote and together representing not less than 90% of the total voting rights at that meeting.

The notice shall specify the time and place of the meeting and the general nature of the business to be transacted and, in the case of an Annual General Meeting, shall specify the meeting as such. The notice shall also state that the Member is entitled to appoint a proxy.

The notice shall be given to all the Members, to the Directors and auditors.

22. The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at that meeting.

PROCEEDINGS AT GENERAL MEETINGS

23. No business shall be transacted at any meeting unless a quorum is present. A Member counts towards the quorum by being present either in person or by proxy. Two persons entitled to vote upon the business to be transacted, each being a Member or a proxy of a Member or a duly authorised representative of a Member organisation shall constitute a quorum.
24. If a quorum is not present within half an hour from the time appointed for the meeting, or if during a meeting a quorum ceases to be present, the meeting shall stand adjourned to the same day in the next week at the same time and place or to such time and place as the Directors may determine.
25. The chairman, if any, of the Directors or in his absence some other Director nominated by the Directors shall preside as chairman of the meeting, but if neither the chairman nor such other Director (if any) be present within fifteen minutes after the time appointed for holding the meeting and willing to act, the Directors present shall elect one of their number to be chairman and, if there is only one Director present and willing to act, he shall be the chairman.
26. If no Director is willing to act as chairman, or if no Director is present within fifteen minutes after the time appointed for holding the meeting, the Members present and entitled to vote shall choose one of their number to be chairman.

27. A Director shall, notwithstanding that he is not a Member, be entitled to attend and speak at any general meeting.
28. The chairman may, with the consent of a majority of the Members at a meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business which might properly have been transacted at the meeting had the adjournment not taken place. When a meeting is adjourned for fourteen days or more, at least seven clear days' notice shall be given specifying the time and place of the adjourned meeting and the general nature of the business to be transacted. Otherwise it shall not be necessary to give any such notice.

31. The demand for a poll may be withdrawn, before the poll is taken, but only with the consent of the chairman. The withdrawal of a demand for a poll shall not invalidate the result of a show of hands declared before the demand for the poll was made.
32. A poll shall be taken as the chairman directs and he may appoint scrutineers

(who need not be Members) and fix a time, date and place for declaring the results. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

33. A poll demanded on the election of the chairman or on a question of adjournment shall be taken immediately. A poll demanded on any other question shall be taken either immediately or at such time, date and place as the chairman directs not being more than thirty days after the poll is demanded. The demand for a poll shall not prevent continuance of a meeting for the transaction of any business other than the question on which the poll is demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.
34. No notice need be given of a poll not taken immediately if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In other cases at least seven clear days' notice shall be given specifying the time and place at which the poll is to be taken.
35. A resolution in writing agreed by such number of members as required if it had been proposed at a general meeting shall be as effectual as if it had been passed at a general meeting duly convened and held provided that a copy of the proposed resolution has been sent to every Member. The resolution may consist of several instruments in the like form each agreed by one or more Members.

43. A vote given or poll demanded by proxy or by the duly authorised representative of a corporation shall be valid notwithstanding the previous determination of the authority of the person voting or demanding a poll unless notice of the determination was received by the Company at the office or at such other place at which the instrument of proxy was duly deposited before the commencement of the meeting or adjourned meeting at which the vote given or the poll demanded or (or in the case of a poll taken otherwise than on the same day as the meeting or adjourned meeting) the time appointed for taking the poll.

PLYMOUTH CAST

SCHEME OF DELEGATION

EFFECTIVE DATE: MAY 2013

1. INTRODUCTION

- 1.1 As a charity and company limited by guarantee, Plymouth CAST (the "Company") is governed by a Board of Directors (the "Directors") who are responsible for, and oversee, the management and administration of the Company and the academies run by the Company. This Scheme of Delegation will apply to most of the academies for which the Company is responsible (the "Academies") and details for each individual academy, e.g. name, location, whether primary or secondary, and any specific matters relating to that academy will be set out in Appendix 3 to this Scheme of Delegation. Any reference to "the Academy" in this Scheme of Delegation will be a reference to the Academies so named in Appendix 3.
- 1.2 The Directors are accountable to external government agencies including the Charity Commission, the Department for Education and the Education Funding Agency (including any successor bodies) for the quality of the education they provide and they are required to have systems in place through which they can assure themselves of quality, safety and good practice. As the Academy is a Catholic school, designated as such, the Directors are also accountable to the Bishop of the Roman Catholic Diocese of Plymouth (the "Bishop") as set out in clause 2.
- 1.3 In order to discharge these responsibilities, the Directors appoint people who are more locally based to serve on a board (the "Local Governing Body") which has been established to ensure the good governance of the Academy. The Bishop shall also have the right to appoint people (as Foundation Governors under clause 4.2.12) to form the majority of the Local Governing Body. Plymouth Roman Catholic Diocesan Trustees Registered or any other trustees who hold the land used by the Academy on trust (the "Trustees") may also have the right to appoint people to the Local Governing Body for purposes which are consistent with the objects of their trust in circumstances

to be agreed with the Local Governing Body.

- 1.4 This Scheme of Delegation explains the ways in which the Directors fulfil their responsibilities for the leadership and management of the Academy, the respective roles and responsibilities of the Directors and the members of the Local Governing Body and their commitments to each other to ensure the success of the Academy.
- 1.5 This Scheme delegates various functions in accordance with clause 4 but the function of the Local Governing Body shall be to:
 - 1.5.1 determine and oversee an on-going strategic plan to ensure the Academy functions effectively to deliver the mission of the Catholic Church in its local context;
 - 1.5.2 monitor the key operational aspects of the Academy in accordance with its strategic plan - in particular:
 - 1.5.2.1 the Catholic life of the Academy;
 - 1.5.2.2 academic standards;
 - 1.5.2.3 pastoral care of pupils and staff; and
 - 1.5.2.4 financial management;
 - 1.5.3 consider budget monitoring information and make recommendations to the head teacher of the Academy ("the Principal") and the Local Governing Body in relation to annual budget proposals and any potential overspend;
 - 1.5.4 govern admissions and form a committee to apply admissions criteria in accordance with the Admissions Code and with due regard to any locally agreed fair access protocols, and to appoint the Principal and another governor as proposers in any admissions appeals;
 - 1.5.5 govern exclusions in accordance with appropriate regulations;
 - 1.5.6 support the Principal in recruitment and selection, grievance, disciplinary and processes in relation to staff, where appropriate;

- 1.5.7 liaise with the Area Adviser to produce reports on Academy standards for the relevant Area Council and the Board of Directors as from time to time agreed;
 - 1.5.8 through the Principal, liaise and co-operate with the appropriate Area Council for the common good of the Academies in that Academy Area; and
 - 1.5.9 where appropriate, set their own policy and procedures.
- 1.6 This Scheme of Delegation has been put in place by the Directors from the Effective Date in accordance with the provisions of Articles of Association (the "Articles") and it should be read in conjunction with those Articles. References in this Scheme to numbered Articles are to the relevant clause of the Articles and definitions in the Articles apply in this Scheme unless the context requires otherwise.

2. **ETHOS AND MISSION**

- 2.1 As part of the Catholic Church, the Directors and the Local Governing Body are accountable to the Bishop to ensure that the Academy is conducted as a Catholic school in accordance with the canon law and teachings of the Catholic Church so that at all times the Academy may serve as a witness to the Catholic faith in Our Lord Jesus Christ. The Directors and the Local Governing Body acknowledge that, where land used by the Academy is held by the Trustees, such use is also subject to the observance of the terms of the trusts upon which the land is held.

Ecclesiology

- 2.2 The Company is a family of Catholic schools that exist to further the Church's saving mission by educating its young people in accordance with the teachings of the One Teacher, Jesus Christ. In carrying out any functions on behalf of the Company all Governors, Directors and members of the Company recognise the Bishop as the Vicar of Christ, Chief Teacher and focus of unity in the Diocese of Plymouth and will carry out those functions and responsibilities in full communion with him and in accord with the mind of the Catholic Church. Accordingly, the functions of the Company will be conducted

in accordance with the core focus of Catholic social teaching – the dignity of the individual – and the three principles that flow from that focus, namely subsidiarity, solidarity and support for the common good.

Subsidiarity

- 2.3 Decisions are to be taken at the level nearest to those affected by those decisions which is compatible with the principles of solidarity and support for the common good. Accordingly the Local Governing Body is established to conduct the Academy and to ensure its good governance. This Scheme of Delegation therefore aims to entrust to the Local Governing Body those functions customarily entrusted to a Governing Body of a Catholic voluntary aided school. The Local Governing Body shall be the “Advisory Body” for the Academy as required by the Funding Agreement entered into between the Company and the Secretary of State for Education (the “Secretary of State”) governing the affairs of the Company (the “Funding Agreement”).

Solidarity

- 2.4 The Directors and the Local Governing Body share a particular commitment to the mutual support of all Academies for whom the Company is responsible, especially those that are in need of assistance at any particular time. Accordingly, this Scheme of Delegation recognises the obligation on all Academies to collaborate to ensure the best possible educational experience for all children and families served by the Company’s Academies, wherever their location and the role of the Area Councils in particular in pursuit of this goal.

The Common Good

- 2.5 The Directors and the Local Governing Body recognise their responsibility towards the common good, not just of the Academies for whom the Company is responsible and the Diocesan family of schools, but of all of the families and communities in the areas served by the Company. In light of the principle of the common good, while protecting the devolved budgets of individual Academies the Directors and the Area Councils shall seek together to ensure that central resources are available to support Academies when the need arises.

3. DIRECTORS' POWERS AND RESPONSIBILITIES

- 3.1 The Directors have overall responsibility and ultimate decision making authority for all the work of the Company, including the establishing and running of schools and in particular the Academy as a Catholic school. This is largely exercised through high level monitoring of all Academies' performance and finance, effective business planning for the Company as a whole and ensuring the effective operation of the shared infrastructure services provided for the Company's Academies. The Company shall, without affecting a Local Governing Body's ability to set its own policies and procedures where appropriate, ensure compliance with agreed policies and procedures designed to safeguard the security and effectiveness of all the Academies. The Directors have the power to direct change where required.
- 3.2 The Directors have a duty to act in the fulfilment of the Company's objects. The Directors also have a duty to the Bishop to uphold the object of the Company and to have regard to any advice of Bishop and to follow any directives issued by him.
- 3.3 The Directors must appoint separate committees to be known as Area Councils to take responsibility for co-ordinating development proposals for their constituent Academies in accordance with the Object of the Company.
- 3.3.1 Directors will have regard to the interests of the other academies for which the Company is responsible and the views of the Area Council or the Area Adviser in deciding and implementing any policy or exercising any authority in respect of the Academy.
- 3.3.2 The number of Area Councils (and, for each, its constituent Academies) shall be determined by the Directors in accordance with the views (or majority view) of the Local Governing Bodies.

5.1 General Provisions

5.1.1 Subject to provisions of the Companies Act 2006, the Articles and to any directions given by the Members of the Company following a special resolution or any directives issued by the Bishop, the management of the business of the Academy shall be delegated to the Local Governing Body who may exercise all the powers of the Company in so far as they relate to the Academy, in accordance with the terms of this Scheme of Delegation.

5.1.2 No alteration of the Articles and no such direction shall invalidate any prior act of the Local Governing Body which would have been valid if that alteration had not been made or that direction had not been given.

- 5.1.3 Except as provided for in this Scheme of Delegation, the powers given by this Scheme of Delegation shall not be limited by any special power given to the Directors by the Articles or to the Local Governing Body by this Scheme of Delegation and a meeting of the Local Governing Body at which a quorum is present may exercise all the powers so delegated.
- 5.1.4 In general terms, the day-to-day direction and running of the Academy is devolved to the Local Governing Body and the Academy's senior management. However, the Directors remain responsible to the Bishop, PRCDTR, the Secretary of State for Education and other external bodies for the Academy's religious character, its academic standards and its financial health. Therefore, notwithstanding the principle of subsidiarity, in certain circumstances the Directors may deem it necessary to direct the Local Governing Body in matters of local strategy and even day-to-day management. Such circumstances include where:
- 5.1.4.1 the fundamental religious character of the Academy is failing to meet the requirements of the Bishop;
 - 5.1.4.2 standards and performance are low and likely remain so without intervention;
 - 5.1.4.3 there has been a serious breakdown in management or governance which is prejudicial to the standards of performance or breaches the Company's policies and procedures;
 - 5.1.4.4 the safety of pupils and staff is threatened; or
 - 5.1.4.5 safeguarding procedures are inadequate.
- 5.1.5 If in consultation with the Academy's Local Governing Body and Area Council, the Directors are persuaded to make an intervention as envisaged under this Scheme of Delegation as in 5.1.4 (above), such action will be taken in accordance with Appendix 2 of this Scheme.

Otherwise, responsibility for matters identified in the paragraphs of 5.1.4 shall be that of the Local Governing Body.

5.1.6 The following matters shall not be delegated to the Local Governing Body:-

5.1.6.1 ensuring compliance with the Company's duties under company law and charity law and agreements made with the Department for Education (including the Funding Agreement and Supplemental Agreement);

5.1.6.2 the determination of educational character, religious ethos and the mission of the Academy and the Company;

5.1.6.3 ensuring the solvency of the Company, safeguarding its assets and delivering its charitable outcomes;

5.1.6.4 ensuring the continued charitable status of the Company;

5.1.6.5 the determination of the establishment, constitution, membership, proceedings and delegated powers and functions of any Local Governing Body and committee and their annual review and revision;

5.1.6.6 the approval of the Company's and the Academy's policies, which for the avoidance of doubt shall not restrict each Local Governing Body's ability to set its own policy and procedures where appropriate;

5.1.6.7 selling or otherwise disposing of any asset which is of a value in excess of 10% of the total net book value of all assets held for the Academy;

5.1.6.8 creating or allowing to come into being any third party interest (other than a lien created in the ordinary course of business);

5.1.6.9 giving any guarantee or indemnity other than in the ordinary course of business, the value of which exceeds £1,000;

- 5.1.6.10 any lending;
 - 5.1.6.11 varying the standard terms and conditions of employment as set out in the Company's agreed policies;
 - 5.1.6.12 establishing or amending any pension scheme or granting any pension rights to any director, officer, employee or former directors, officer or employees.
- 5.1.7 Except as provided for in this Scheme of Delegation, in addition to all powers hereby expressly conferred upon the Local Governing Body and without detracting from the generality of the powers delegated, the Local Governing Body shall have the following powers, namely:
- 5.1.7.1 to expend certain funds of the Company as permitted by clause 5.3 in such manner as the Local Governing Body shall consider most beneficial for the achievement of the Object in so far as it relates to the Academy and to invest in the name of the Company such part of the funds of the Company for which it has responsibility pursuant to this Scheme of Delegation as it may see fit and to direct the sale or transposition of any such investments and to expend the proceeds of any such sale in furtherance of the Object; and
 - 5.1.7.2 to enter into contracts on behalf of the Company in so far as they relate to the Academy.
- 5.1.8 In the exercise of its powers and functions, the Local Governing Body may consider any advice given by the Principal the Area Adviser and any other executive officer as well as the Directors and the Bishop.
- 5.1.9 Any bank account in which any money of the Company in so far as it relates to the Academy is deposited shall be operated by the Local Governing Body in the name of the Company. All cheques and orders for the payment of money from such an account shall be signed by at least two signatories authorised by the Local Governing Body except where expenditure exceeds £150,000 in which case one

of those signatories shall be either the chairman of the Directors or in his or her absence the vice-chairman of the Directors.

5.2 Ethos and Values

5.2.1 Whilst the Local Governing Body shall be responsible for ensuring that the Academy is conducted in accordance with its ethos and values referred to in clause 2, the determination of the Academy's ethos and mission statement shall be the responsibility of the Directors who shall not make any alteration to the religious character of the Academy or the conduct of the Academy as a Catholic school without the consent of the Bishop.

5.2.2 At all times, the Directors and the Local Governing Body shall ensure that the Academy is conducted in accordance with the object of the Company, the terms of the trust governing the use of the land which is used for the purposes of the Academy and any agreement entered into with the Secretary of State for the funding of the Academy.

5.3 Finance

5.3.1. In acknowledgement of the receipt by the Directors of funds in relation to the Academy provided by the Secretary of State, donated to the Company and generated from the activities of the Company, the Directors delegate to the Local Governing Body the responsibility to manage and expend all monies received on account of the Academy for the purposes of the Academy less an amount to be determined each year by the Directors acting reasonably in accordance with the following principles:

5.3.1.1. The Local Governing Body acknowledges the role, and the need for funding of, each Area Council so that it will be best able to direct resources to the Academies in its Academy Area according to needs identified by the Area Council with support from its Area Adviser, without detracting from the funding previously available to the Academy.

5.3.1.2. The Local Governing Body acknowledges the support provided by the Directors and that certain costs will be incurred by the Company in undertaking its functions and meeting its responsibilities, in particular in relation to:

5.3.1.2.1. the production of corporate accounts for the Company and the auditing of those accounts;

5.3.1.2.2. ensuring appropriate insurances are in place and implementing a suitable risk management strategy; and

5.3.1.2.3. the functions of the Company Secretary and Responsible Officer (required for the purposes of the Funding Agreement) and the Area Advisers.

5.3.1.3. There may be other services provided by the Directors on either an optional or a non-discretionary basis and these will be agreed with the Local Governing Body and the Area Council. In light of this, the Local Governing Body will be expected to meet a proportion of the costs incurred by the Directors, which shall be determined by the Directors on annual basis.

5.3.1.4. The Directors will on request make available to the Local Governing Body full details of the expenditure incurred by the Directors and will at the start of each academic year circulate a draft budget for the Directors for discussion with the Local Governing Body.

5.3.1.5. In light of the principle of subsidiarity but recognising the duties and responsibilities of the Directors, the Directors are committed to ensuring that decisions are made having regard to the need to achieve value for money so as to keep to a minimum the levy for central support and functions.

- 5.3.2 Whilst the Local Governing Body shall have the power to enter into contracts on behalf of the Company in so far as they relate to the Academy pursuant to clause 5.1.3, the Local Governing Body shall first obtain the written consent of the Directors to any contracts or expenditure for any single matter above £150,000 (or such other amount as shall be notified by the Directors to the Academy from time to time).
- 5.3.3 The accounts of the Company shall be the responsibility of the Directors but the Local Governing Body shall provide such information about the finances of the Academy as often and in such format as agreed from time to time. The Local Governing Body acknowledges the need of the Directors to co-ordinate the financial information of each Academy and in order to achieve efficiencies and to minimise the cost and risk of auditing, the Local Governing Body commits to supporting the long term aim of the Directors to harmonise the financial management information systems adopted by the Academies. Without prejudice to the above, the Local Governing Body shall inform the Directors immediately of any materially adverse financial issues affecting the Academy and provide a full report of such issue to the next meeting of the Directors
- 5.3.4 The Local Governing Body shall ensure that proper procedures are put in place for the safeguarding of funds and that the requirements of the Academies Financial Handbook are observed at all times as well as any requirements and recommendations of the Directors and the Secretary of State as well as the Bishop and the Trustees. For the avoidance of doubt the Directors and the Local Governing Body acknowledge the restriction on borrowing contained in the Funding Agreement.
- 5.3.5 The Local Governing Body shall submit its annual budget to the Directors at the agreed times and will have regard to any views of the Directors as to the appropriateness of such budget. The Local Governing Body shall inform the Directors of any need for significant unplanned expenditure and will discuss with the Area Council (and

the Directors where appropriate) options for identifying available funding.

The Local Governing Body shall comply with any risk management policy adopted by the Company. The Local Governing Body shall nominate one member of the Local Governing Body to fulfil the functions of the Responsible Officer in so far as it affects the Academy and such person will liaise with the Company's Responsible Officer in order to ensure consistent financial risk management procedures are being adopted across all Academies.

5.3.7 The Directors acknowledges the Governing Body's right and intention to use any voluntary (i.e. non grant) funds (including any restricted funds) raised by the Governing Body for the purposes for which they have been raised and otherwise solely at the discretion of the Governing Body provided that this is within the objects of the Company. Proper accounts will be kept by the Governing Body showing the receipt and use of such funds and the extent to which such funds are restricted, in the light of the obligation on the Company to note these funds separately in the accounts of the Company.

5.3.8 Both the Directors and the Local Governing Body acknowledge that the Bishop and the Trustees have no financial responsibility for the Company or the Academy in any situation.

5.4 Premises

5.4.1 Subject to and without prejudice to clauses 5.3.2 and 5.4.4, the maintenance of the buildings and facilities used in respect of the Academy is the responsibility of the Local Governing Body, who shall have regard at all times to the safety of the users of the buildings and

the facilities and the legal responsibilities of the Directors (and/or any others as Trustees) as owners of such buildings and facilities.

5.4.2 The Local Governing Body shall in conjunction with the Area Council and Directors develop a 5 year estate management strategy that will identify the suitability of building and facilities in light of long term curriculum needs and the need for and availability of capital investment to meet the Local Governing Body's responsibility to ensure the buildings and facilities are maintained to a good standard.

5.4.3 The responsibility for any disposals or acquisitions of land to be used by the Academy will be that of the Directors and the Trustees.

5.4.4 Insuring the land and buildings used by the Academy will be the responsibility of the Trustees and the Directors who shall recover the cost from the budget delegated to the Local Governing Body .to the extent the same is not otherwise reclaimed directly from the Education Funding Agency (or any successor body).

5.7.3 Any decision to expand the Academy shall be that of the Directors and the Trustees but who shall have regard to the views of the Local Governing Body, other local Catholic schools and of the Bishop.

5.8 Extended Schools and Business Activities

5.8.1 Whilst the undertaking of any activities which would be described as part of the Academy's "extended schools agenda", or any activities designed to generate business income, would be the responsibility of the Local Governing Body, this shall only be undertaken in a manner consistent with any policy set by the Directors and subject to any directions of the Bishop and (in so far as the land is affected) the Trustees) and having regard to the viability of such activities, the impact on the Academy's activities and any financial implications, such as the threat of taxation in light of the Company's charitable objects and any threat to funding provided by the Secretary of State.

5.9 Regulatory Matters

5.9.1 The responsibility for the satisfaction and observance of all regulatory and legal matters shall be the Directors but the Local Governing Body shall do all such things as the Directors may specify as being necessary to ensure that the Company is meeting its legal obligations.

6. OPERATIONAL MATTERS

6.1 The Local Governing Body shall comply with the obligations set out in Appendix 1 which deals with the day to day operation of the Local Governing Body.

6.2 The Local Governing Body will adopt and will comply with all agreed policies of the Company communicated to the Local Governing Body from time to time.

6.3 Both the Directors and all members of the Local Governing Body have a duty to act independently and not as agents of those who may have appointed them and will act with integrity, objectivity and honesty in the best interests of the Company and the Academy and shall be open about decisions and be

prepared to justify those decisions except in so far as any matter may be considered confidential.

- 6.4 The Local Governing Body will review its policies and practices on a regular basis, having regard to recommendations made by the Directors and Area Councils from time to time, in order to ensure that the governance of the Academy is best able to adapt to the changing political and legal environment.
- 6.5 The Local Governing Body shall provide such data and information regarding the business of the Academy and the pupils attending the Academy as the Directors or the Area Council may require from time to time.
- 6.6 The Local Governing Body shall make arrangements for any inspections pursuant to section 48 of the Education Act 2005 and any additional canonical inspections and visitations of the Bishop and any person appointed by him for the purpose of ensuring that the Academy is being conducted in accordance with canon law and is following the practices and teachings of the Catholic Church and in order to allow the Bishop to assess how well the Academy is being managed in light of the additional responsibilities and expectations of schools which are academies.

INTERVENTION AND REMOVAL OF DELEGATED RESPONSIBILITY

- 6.7 The Local Governing Body shall work closely with and shall promptly implement any advice or recommendations made by the Directors or the Area Council in the event that intervention is either threatened or is carried out by the Secretary of State and the Directors expressly reserve the unfettered right to review or remove any power or responsibility conferred on the Local Governing Body under this Scheme of Delegation in such circumstances.
- 6.8 Notwithstanding the above, the Directors and the Local Governing Body acknowledge the value of maintaining a good working relationship particularly in light of the levels of delegated responsibility within the Company and the impact this may have on the ability of the Directors to react when standards are falling and/or there is evidence of financial imprudence exposing the Local Governing Body and possibly more widely the Company itself to a threat of intervention. The Directors and the Local Governing Body in such circumstances make the following commitments to each other:

- 6.8.1 to discuss openly any situation which may in the opinion of either potentially lead to a threat of intervention by the Secretary of State;
- 6.8.2 to use all reasonable endeavours to agree the measures to be taken to improve standards and the performance of the Academy and to support each other in the implementation of those measures;
- 6.8.3 to allow each other the opportunity to effect improvements at the Academy through directions to be issued to persons appointed either by the Local Governing Body (including the Principal) or the Bishop (as the case may be) in relation to the governance of the Academy provided such steps do not seek to undermine the collaborative and respectful approach being adopted by each or the religious character of the Academy;
- 6.8.4 not to remove or deny delegated authority without first agreeing to put in place for an appropriate period of time an interim executive board whose responsibility it will be to address the issues culminating in the threat of intervention, such interim executive board will be made up of an equal number of persons appointed by both the Directors and the Local Governing Body and shall have power to act subject only to the guiding principles set out in clause 1 and the fulfilment of the object of the Company.

7. ANNUAL REVIEW

- 7.1 This Scheme of Delegation shall operate from the Effective Date in respect of the named Academy. Where applicable, it will be based on the framework Scheme of Delegation that will have been put in place on the incorporation of the Company and will have been attached to Company's first Articles of Association.
- 7.2 Notwithstanding this being the first Scheme of Delegation to apply in respect of the Academy, the Directors will have the absolute discretion to review this Scheme of Delegation at least on an annual basis and to alter any provisions of it with the prior written consent of the Bishop.

7.3 In considering any material changes to this Scheme of Delegation or any framework on which it is based, the Directors will give due consideration to any views of the Local Governing Body.

APPENDIX 2

PROTOCOL FOR DIRECTORS' INTERVENTION IN UNDER-PERFORMING SCHOOLS

1. PURPOSE

- 1.1 This Scheme of Delegation reflects the Company's principle of subsidiarity and details accordingly the procedures to ensure that, wherever possible, decisions are taken at the closest point within the Company to where such decisions will have their impact. However, paragraphs 5.1.4 of the Scheme identify exemplar circumstances in which the Directors might be required to intervene at an Academy in the interests of that Academy or the wider Company. This Appendix 2 summarises the process of any such intervention, notwithstanding the principles summarised in Clauses 2 and 3.

2. PRINCIPLES

The following principles direct the way in which the Company will work with Academies to support continuous improvement:-

- 2.1 each Academy holds the responsibility for the achievements of its pupils;
- 2.2 each Academy is itself at the heart of the improvement process and in control of its own improvement;
- 2.3 effective governance is critical to the process of continuous improvement;
- 2.4 collaboration within each Area Council will identify development needs and shape appropriate responses increasing the capacity for effective operation for each Academy;
- 2.5 recognition, acknowledgment and dissemination of good practice promote improvement;
- 2.6 transparency, objectivity and flexibility are necessary qualities to promote improvement;
- 2.7 well informed, decisive and urgent action ensures that children's and young people's life chances are safeguarded;

2.8 effective safeguarding procedures are paramount; and

2.9 each Academy is presumed to have earned autonomy in accordance with paragraph 3 unless circumstances dictate otherwise

3. EARNED AUTONOMY

Unless the Secretary of State (in accordance with clauses 6.7-6.11) or the Directors (in accordance with clause 5.1) determine that there is a need for higher level intervention, each Local Governing Body is assumed to have earned autonomy and continues to manage its own Academy or Academies collaboratively but without intervention from the Directors in respect of the formulation of local improvement strategy or day-to-day operation of the Academy or Academies.

4. MANAGING INTERVENTION

4.1 When, in accordance with clause 5.1, the Directors determine that an intervention is required it will appoint an intervention group, consisting of between 3 and 5 members selected on the basis of their experience, expertise and availability relevant to the needs that have led to the intervention ("Intervention Group"). Members of the Intervention Group may be Directors, governors or Principals from other Company Academies or other specialists from outside the Company. Unless there is specific reason not to do so, an Intervention Group will always include the relevant Area Adviser. The role of the Intervention Group is to:

4.1.1 arrange to meet as soon as possible with the relevant Local Governing Body and the Academy's senior management team;

4.1.2 in discussion with the relevant governors and staff of the Academy and with the relevant Area Council, determine a strategy to resolve as effectively as possible the issue which gave rise to the intervention;

4.1.3 in discussion with the Academy, the Area Council and the Directors, to secure the resources required for the determined intervention strategy and, where appropriate, identify any external partner or organisation who might provide all or part of the intervention;

4.1.4 give a full report as soon as possible to the Directors about the goal(s) and details of the intervention strategy, the process by which its success

will be monitored, an analysis of any risks associated either with the original concern or with the intervention itself and the likely timescale to return the Academy to earned autonomy status;

- 4.1.5 on behalf of the Directors, monitor the intervention in accordance with the strategy and make a recommendation to the Directors when the intervention should be considered to have been completed and the Academy returned to earned autonomy; and
 - 4.1.6 on occasion the Directors may terminate an intervention under the terms of this Appendix 2 on the assurance that the Area Council, Area Adviser or other appropriate person or body continues to perform some specific additional monitoring for an agreed period post termination.
- 4.2 For the period of any Directors' intervention in accordance with this protocol, the Intervention Group must work closely with the Local Governing Body to ensure that it is aware of all the key actions that are taking place in the Academy and allow it, therefore, to continue to manage those aspects of the Academy not subject to the intervention.
- 4.3 For the period of the intervention, the Local Governing Body must follow any specific direction given to it by the Directors or by the Intervention Group. This does not preclude the right of the Local Governing Body to make representations (directly or via the Area Council) to the Directors if for any reason it has any concerns about any aspect of the determined intervention strategy.

Annex A

Memorandum and Articles of the Company

Annex B

Arrangements for pupils with Special Educational Needs ('SEN') and disabilities at Mainstream Academies

Duties in relation to pupils with SEN

1. The Directors of the Company must, in respect of each **Mainstream Academy**, comply with all of the duties imposed upon the governing bodies of maintained schools in:
 - Part 4 of the Education Act 1996 as amended from time to time;
 - The Education (Special Educational Needs) (Information) Regulations 1999 as amended from time to time;
 - The Education (Special Educational Needs Co-ordinators) (England) (Amendment) Regulations 2008 as amended from time to time.
2. Notwithstanding any provision in this Agreement, the Secretary of State may (whether following a complaint made to him or otherwise) direct the Company to comply with an obligation described in this Annex where the Company has failed to comply with any such obligation.
3. Where a child who has SEN is being educated in a **Mainstream Academy**, those concerned with making special educational provision for the child must secure that the child engages in the activities of the school together with children who do not have SEN, so far as is reasonably practicable and is compatible with:
 - (a) the child receiving the special educational provision which his learning difficulty calls for,
 - (b) the provision of efficient education for the children with whom he will be educated, and
 - (c) the efficient use of resources.
4. In addition to complying with the duties imposed upon the governing bodies of maintained schools set out in The Education (Special Educational Needs) (Information) Regulations 1999 (as amended from time to time) the Company must ensure that the website for each Academy includes details of the implementation of its policy for pupils with special educational needs; the arrangements for the admission of disabled pupils; the steps taken to prevent disabled pupils from being treated less favourably than other pupils; and the facilities provided to assist access to the Academy by disabled pupils (disabled pupils meaning pupils who are disabled for the purposes of the Equality Act 2010).

Admissions

5. The Company must ensure that for each **Mainstream Academy** pupils with SEN are admitted on an equal basis with others in accordance with the Academy's admissions policy.
6. Where a local authority ("LA") proposes to name a **Mainstream Academy** in a statement of SEN made in accordance with section 324 of the Education Act 1996, it must give the Company written notice that it so proposes. Within 15 days of receipt of the LA's notice that it proposes to name the Academy in a statement, the Company must consent to being named, except where admitting the child would be incompatible with the provision of efficient education for other children; and where no reasonable steps may be made to secure compatibility. In deciding whether a child's inclusion would be incompatible with the efficient education of other children, the Company must have regard to the relevant guidance issued by the Secretary of State to maintained schools.
7. If the Company determines that admitting the child would be incompatible with the provision of efficient education, it must, within 15 days of receipt of the LA's notice, notify the LA in writing that it does not agree that the Academy should be named in the pupil's statement. Such notice must set out all the facts and matters the Company relies upon in support of its contention that: (a) admitting the child would be incompatible with efficiently educating other children; and (b) the Company cannot take reasonable steps to secure this compatibility.
8. After service by the Company on the LA of any notice (further to paragraph 7 above) stating that it does not agree with the LA's proposal that the Academy be named, the Company must seek to establish from the LA, as soon as is reasonably practicable, whether or not the LA agrees with the Company. If the LA notifies the Company that it does not agree with the Company's response, and names the Academy in the child's statement, then the Company must admit the child to the school on the date specified in the statement or on the date specified by the LA.
9. Where the Company consider that the Academy should not have been named in a child's statement, they may ask the Secretary of State to determine that the LA has acted unreasonably in naming the Academy and to make an order directing the LA to reconsider.
10. The Secretary of State's determination shall, subject only to any right of appeal which any parent or guardian of the child may have to the First-tier Tribunal (Special Educational Needs and Disability), be final.
11.
