

PE and the Gospel Values

At St. Augustine's we follow our Gospel Values in every aspect of our learning, including PE.

Our Gospel Values are:

- Compassion
- Humility
- Peace
- Courage
- Integrity
- Kindness
- Forgiveness
- Justice

While we are always keen to be as competitive as possible during our competitions; we understand the great importance of good sportsmanship.

We can relate our Gospel Value to the sports that we play within our PE lessons and within game situations.

- Compassion – We shake hands at the end of matches no matter what the score is. We help other people to learn new skills.
- Humility- We see the opportunities we have in sport as a gift and enjoy every moment of our lessons.
- Peace- We remember to play non-violent games.
- Courage- We stand up for the truth by playing by the rules and ensuring that any games we play are fair.
- Integrity- We do what we say we are going to do in our PE lessons and our games by playing by the rules and working as a team.
- Kindness- We play nicely in matches. We support everyone and give encouragement to each other.
- Forgiveness- We say sorry when we need to and are always kind to the opposition.
- Justice- We play fairly in the sports and games we play. We learn and follow the rules so that games are as they should be.
