

# Back to School

This book will help you think about your time at home and about going back to school.

Lots of people have been talking about coronavirus. What do you know about Coronavirus? Write or draw what you know here.

Schools have been closed to most children to keep them safe at home and to stop the spread of coronavirus.

We might have lots of feelings about going back to school. Write or draw them here.

bored

worried

sad

There are lots of good things about going back to school.

Who are you looking forward to seeing?

What are you looking forward to doing?

It's okay to have some worries about going back to school.

It's important that you talk about your worries with a trusted adult as this will make you feel better.

Do you have any worries? Write or draw them here.

Who are your trusted adults? Write or draw them here.

## Staying Safe in School

When you return to school things might look a little different so that we can keep everyone safe. There may be some new rules that are important to follow. Mrs Berry and your teacher will send you and your parents some information to show you what school will be like.

There are lots of things that we can do to make sure we are safe and healthy when you come back to school.

Most children have been at home for a long time and haven't been able to see their friends. When we go back to school, our class will be called 'a bubble'.

We can only spend time with the other children in our bubble and we need to remember that we can't hug our friends or teachers yet. This will keep everyone safe.

You will have a different teacher when you come back to school. Although your old teacher will miss you, your new teacher will be very pleased to have you in their class. You will also be learning in a different classroom.

Write or draw the things you want to talk about with your friends.

My teacher will be .....

My classroom will be .....

Write or draw the things you want to tell your teacher.

You won't be able to bring many things in from home apart from a water bottle (this is very important) and a packed lunch if you will be having one.

Draw yourself on your first day back at school.

**You can write down any questions you have about what school will be like here.**

**You can talk to someone at home about them before you return.**

**We can't wait to see you again soon!**
