

### Number Work

This week in Maths we have been looking at Length in Meters. Please can you find different objects at home that you can measure. Write the object in and put a tick in the correct box to show the length of the object.

Object	Less than 1m	About 1m	More than 1m

### Writing

This week we have been continuing to looking at monster poems! During our lessons we have been writing questions that we would like to know about Monsters. For homework I would like them to write descriptive statements, using their imagination to answer these questions.

e.g.) How does a monster move? A monster shuffles and it creeps when it moves about.

My child's response to the tasks.
