

# Parents in Partnership

Year 5 :

Date set: 20:4:18

Date due in: 25:4:18

This week we have been learning:-

English: How to 'read' a picture. We have looked closely to see what we can actually see, thought of questions that we would ask and deduced (inferred) what else the picture might actually be telling us.

Spellings: We have been looking at words that have silent letters in them and working out which letter is silent

Maths: We have been learning about decimals. We have been using money to help us with this and have worked out the value of tenths, hundredths and thousandths.

## Homework Tasks.

### Task 1:

Find out as much information as you can about your new table name.

My table name is.....

### Task 2:

Find a picture of yourself as a baby (under the age of 1). Put it (or a copy) in an envelope with your name on. When you bring it into school, please don't show it to anyone - it will spoil the surprise when we do our science lesson..!

My child's response to the tasks.

Extreme Reading, Caught Writing
