## Year 1

Date: Friday 18<sup>th</sup> October

Gospel Value-Courage  
Catholic Virtue-Faith

### **Well Done Year 1**

Thank you for coming to support the children at their class assembly on Wednesday. I'm sure you'll agree the children told the story of Goldilocks brilliantly and presented many of our learning songs with confidence. It was also lovely to see them pray The Lord's Prayer with such reverence. We are so proud of them all.

### **Next Friday**

As you'll have read in the school Newsletter, next Friday is a non-uniform day at school. AS the children have PE that day, please dress them in clothes that are suitable for PE with trainers or shoes suitable for sports.

### **Infant Nativity**

In our list of dates in the weekly school newsletter, you may have seen the date for our Infant Nativity which this year will be a joint play with Year 2. If you haven't yet read the letter, the date is Wednesday 11<sup>th</sup> December- at 1.30pm - Y1 & Y2 Parents are most welcome.

### **WOW Slips**

If your child does something amazing at home that you'd like their classmates to hear about and celebrate, please write it on the wow slips we gave you and we will make time at the end of the day on a Friday to celebrate these, We suggest in advance that you limit these to about 1 "wow" every 1 to 2 weeks. Just let us know if you need further slips in the future. Thank you.

### **RHE next week.**

The session we are teaching next week is called Super Suzie Gets Angry

Children will learn:

- Simple strategies for managing feelings and maintaining good behaviour
- That choices have consequences; that when we make mistakes we are called to receive forgiveness and to forgive others when they make mistakes
- That Jesus died on the cross so that we would be forgiven

### **Times Table Rock Stars**

In your child's yellow reading record book, you will see that on the inside back cover we have provided details of your child's user name and password for Times Table Rock Stars.

<https://trockstars.com/>

Times Tables Rock Stars is a maths programme that takes all the worry out of learning times tables and has a proven track record of boosting children's fluency and recall in multiplication and division.

When you enter the site, you will be asked for the school name or postcode. Our Postcode is DT4 0RH.(That's a zero.)

From here you then enter the username and password and your child will have access to fun games involving the 10s and 5 times tables.

### **Reading**

We thank you for recording every time you read with your child at home in their yellow book.

The children will receive certificates and badges for reading 30, 60, 100 and 150 times.

We ask that the children's bookbags are in school **every Wednesday** in order for us to give them their new books. We thank you for your support.

### **Handwriting**

To help support your child with their handwriting please use the rhymes from Read Write Inc. As shown on the next page.

### **Our New Maths Games**

As part of their work on Counting in Tens and understanding Place Value, the children have thoroughly enjoyed the following games. Please have a play at home:

## Phonics

Please continue to practise going over these sounds with your child.

## Home Learning Tasks

Reading	Times Table Rock Stars	Phonics
<p>Please read at least 5x over the week.</p> <p>Remember that from next Wednesday your child will start bringing home their books. Please remember to write in their reading journals so we can count their reads.</p> <p>Remember that in their daily phonics lessons the children participate in reading activities.</p>	<p>Very soon we will be sending out Log In Information related to our online learning platform, Times Table Rock Stars which allows the children to practice their times tables. Children in Year 1 practise counting in 10s and progress to counting in 5s. It's very exciting so please watch this space for further information.</p>	<p>To help consolidate the work the children are working on in phonics, we ask that you access the following website which has excellent phonics games designed to help the children improve their reading:</p> <p><a href="https://www.phonicsplay.co.uk/resources">https://www.phonicsplay.co.uk/resources</a></p>
