Year 3

Date: Friday 5th July

This week the certificates were given to Laya for Kindness and Sammy for Integrity

We have had another busy week in school. We are coming so close to the end of the year 3 Maths curriculum with only a few lessons to go! We have started our final unit which is statistics and data and we have been looking at pictograms. In English, we have been writing poems all about ourselves to give to Mr. Edmonds. We spent time planning, writing, editing and then writing in neat. Thank you for all the wonderful cardboard donations- we are going to spend time next week making the castles as we now have plenty of recycling to use!! In Geography, we have continued to look at tourism. This week we looked at Bournemouth and what attracts people to visit there.

Pokemon Cards

We are noticing an increased number of children bringing in Pokemon cards to school. Whilst this is lovely to see the children enjoying them, we have had a number of issues rise with the trading of them. We are therefore going to request that these cards stay out of school and do not come in. Please help us to implement this.

RHE

Here is our new unit: Unit 2 -Living in the Wider World helps children to learn about the different local and global communities that they are part of, and what rights and responsibilities come with belonging to these communities.

Transition Day

The children had a lovely morning with Mr. Edmonds on Tuesday. He was really pleased with how they behaved and is really looking forward to teaching them in September!

Carrier Bags

Over the next couple of weeks we will be sorting through all the books from the year which children will be bringing home. Please could you bring in a bag for life or similar ready for this. A plastic bag would not be enough due to the volume of books! These bags should be named and we will keep them in the classroom and fill them up!

Have a lovely weekend,
Mrs Hutton and Miss Warwick
