Catholic Virtue-Faith

Class News

Please note that every week this will be the box containing important information about class events and reminders.

It has been a wonderful week! The children have coped very well with the transition into Year 1 and have been very quick to learn our new routines. Seeing them cooperate well and work so hard has been a joy. So far in Year 1 we have:

Recapped some of our Set 2 Sounds in Phonics-See resources below.

Started our English storytelling work linked to Goldilocks.

Worked on counting, grouping and representing numbers to 10.

Recapped our number bonds to 10.

Started to learn about pace in Music.

Started to discuss seasonal change and to find wild flowers in science.

Started work in RE about the way that our families show love and care.

In PE we have started working in pairs and on learning to work as a team. We really have been busy.

In preparation for next week we ask for your support...

1. On Friday 15th September, please could you give your child a toy to bring in. The toys will be returned that day. We will use these toys to help us with our History work as we start to look at toys and during this unit of work, will compare them to toys our grandparents played with.
2. Our PE days this term are Mondays and Wednesdays. Please make sure your child's kit is in school and that all items are named. This includes their PE shoes please.
3. Please remember to send the reading record in and as from next week, we will continue to send home your child's reading books on a Wednesday.
4. On Thursday 14th September in the Year 1 classroom after school, we ask you to collect your child as normal and then walk up to the main entrance of the school where we will invite you in for the 'Meet the Teacher' Meeting. This meeting will involve a Powerpoint Presentation which will detail some of the learning that your child will engage in during the coming year. After the meeting, the Presentation will be placed on the school website for you to revisit or to look at if you can't attend in person. Also, every week, you will receive a copy of the home learning letter and this too, will also be placed on the website. This ensures that you don't miss out on important class information.

In Relationships and Health Education next week, the children will learn that we are created individually by God and that we can give thanks to God in different ways.

Home Learning Tasks

Reading	Times Table Rock Stars	Spellings/Phonics
<p>Please read at least 5x over the week.</p> <p>Remember that from next Wednesday your child will start bringing home their books. Please remember to write in their reading journals so we can count their reads.</p> <p>Remember that in their daily phonics lessons the children participate in reading activities.</p>	<p>Very soon we will be sending out Log In Information related to our online learning platform, Times Table Rock Stars which allows the children to practice their times tables. Children in Year 1 practise counting in 10s and progress to counting in 5s and 2s. It's very exciting so please watch this space for further information.</p>	<p>Every week we will detail the sounds the children have been recapping or have been introduced to during their phonics lessons.</p> <p>Please see the sounds we have focused on this week and once your child has read them with you, dictate a simple sentence for them to write containing some of the words listed and also ask them to practice handwriting the words.</p>
