

# Home Learning

Year 3

Date: Friday 27<sup>th</sup> September

*Our Gospel Value this week was humility and our certificates were awards to Aisha and Sean.*

We have had another lovely week and have completed lots of learning. The children have been working really hard on their place value in Maths and they all did so well on our end of unit check. We have come to the end of Stone Age boy this week (our class text) and we will be starting a new one next week - exciting! The children really enjoyed their art lesson this week where they were using different natural resources to create colour and texture. In History this week, we have been learning about Skara Brae which is in Scotland. The children found it really interesting that this dwelling is still there today and that it can tell us so much about life in the stone age.

## **Reading**

Please ensure you are recording any reading you are doing with your child. We look at the reading records weekly to make sure children are reading as it is so important. We would also appreciate the reading book and record coming to school every day as we try to read with the children and can't do this if their book is not here.

## **Class Dojo**

We have introduced Class Dojo this week. This is a way for children to accumulate points but being reading, respectful and safe as well as being on task, listening and producing good work. These points will add up over the term and we are in the process of planning how these can be rewarded!

## **Class Assembly**

Our class assembly is not far away! Wednesday 9<sup>th</sup> October. We hope you can make it.

## **Toys**

Just a little reminder that we do not want toys in school. We have noticed there are more soft toys, fidget toys and cards being brought in. We would hate for these to get broken or lost so it is just best to keep them at home!

Have a lovely weekend,  
Mrs Hutton and Miss Warwick
