

YEAR 1

RISING STARS UNIT	UNIT SUMMARY	ONLINE SAFETY FOCUS	ADDITIONAL RESOURCES - NATIONAL ONLINE SAFETY
We Are Year 1 Rule Writers	The children will help to develop a simple set of age-appropriate rules to establish a working framework for online safety for school and home during Year 1. They will watch two or three short video clips posing different online safety scenarios and suggest ways of staying safe in these situations. They will then help to create a simple set of online safety rules that can be used both at school and at home.	<ul style="list-style-type: none"> • Understand that rules help us stay safe, both in the real world and online • Suggest strategies for staying safe in different online scenarios • Help to develop a set of online safety rules that are easily understood and appropriate for Year 1. 	KS1 Online Safety Activities Health, Wellbeing and Lifestyle
We Are Kind and Thoughtful	The children will begin to understand that behaviour online can affect people in the same way that it does in real life. They will carry out an experiment with two apples to see the impact of unkind behaviour and recall their online safety rules to discuss their responses to it. Finally, they will create a mini worry box to share with family at home.	<ul style="list-style-type: none"> • Understand that unkind behaviour online can affect other people, even though we can't see them • Understand that the rules created in previous unit can be applied to any concerns they may have about their online activities. 	KS1 Online Safety Activities Self-Image and Identity

YEAR 1

<p>We Are Responsible Internet and Device Users</p>	<p>The children will find out about the internet and how people use it. They will then consider how much time they spend on devices and come up with ideas for other activities that they might do instead.</p>	<ul style="list-style-type: none"> • Learn the very basic principles of what the internet is • Understand how people use the internet • Understand that using computer devices too often can be bad for us and we should take time out from technology to do other things • Discuss what to do if they see or hear something online that upsets them. 	<p>Oscar's Online Lesson Plans What is the internet?</p> <p>BBC Bitesize clip What is the internet?</p>
<p>We Are Information Protectors</p>	<p>Children will discuss the different ways people communicate online and what is meant by 'personal information'. They will watch a short video about sharing information and sort a set of information cards to decide what information should be kept private. The children will learn the procedures they can follow if someone online asks them for personal information and take home a <i>Family online action plan</i> to fill in with their parents or carers.</p>	<ul style="list-style-type: none"> • Understand what is meant by 'personal information' • Recognise that anyone online who we don't know in real life is a stranger • Understand how we can protect our personal information, including reporting worries to trusted adults. 	<p>KS1 Online Safety Activities Privacy and Security</p> <p>Oscar's Online Lesson Plans Personal Information</p>

YEAR 1

<p>We A Good Digital Citizens</p>	<p>The children will find out what is meant by 'digital citizen' and develop an awareness that good digital citizenship is important wherever technology is used. They will create their own good digital citizen, which has a kind heart, warning tummy and a thinking brain. Finally, children will share their understanding of digital citizenship with their families by challenging them to create their own digital citizen.</p>	<ul style="list-style-type: none">• Understand what is meant by 'digital citizen'• Understand how to be responsible, respectful and safe online• Understand that being a good digital citizen means having a kind heart, a warning tummy and a thinking brain: all things that keep us safe online• Recall what to do if something happens online that makes them feel uncomfortable.	<p>KS1 Online Safety Activities Online Relationships</p>
<p>We Are Responsible Gamers</p>	<p>Children will learn the importance of gaming in a shared space and of taking breaks from gaming. They will contribute to a safe gaming agreement for both school and home that lays the foundation for good practice when they are gaming online.</p>	<ul style="list-style-type: none">• Understand the importance of playing games in shared spaces where grown-ups are available for support• Understand the importance of taking breaks away from technology.
