#### A Fabulous Week!

The class have worked really well all week. Here's a quick summary of some of the learning that's been taking place...

In English, we have been recapping all of our phonemes and have been doing daily work on reading real words and nonsense words. Your child is bringing home words they have worked on in class. If you're able to, please take time to revisit these with your child, encouraging them to either sight read the words or if they need to, to use their phonics to sound out and then blend to read.

In Maths we've been learning about halving shapes and quantities and have now moved onto learning about quartering shapes and quantities. Please share this song with your child to help reinforce this work:

In RE we had a lovely class worship for our topic on Pentecost and have now started work on reconciliation and making good choices.

**In our RHE and PSHE next week we will continue to work on the lesson called Good and Bad Secrets.**

**In this session, children will learn the difference between good secrets that are safe to keep, and bad secrets that are unsafe to keep. They will help Super Susie to decide whether some secrets she is asked to keep are good or bad, and what to do about it. Through activities and teaching, children will learn how to resist pressure when feeling unsafe.**

#### Phonics Screening

Please find below a link to the Department for Education website that details information about the Phonics Screening that takes place in June.

#### Maths Challenge - The 99 Club

The children are continuing to work hard on their weekly Maths challenge. We're so proud of the way they are applying their addition skills to develop number fluency.

#### Read, Write Inc. Groups

This week the children have been issued their weekly reading books and their online Oxford Reading Owl Book. Please can you ensure that your child's reading books are in school on a **Wednesday** as this is the day when we will continue to change the children's books.

Please note that we continue to assign online reading books every week on Oxford Reading Owl.

We ask that you continue to read regularly with your child and to record the reads in the yellow reading record book.

#### Times Table Rock Stars

Please note that the 5 times table and 10 times table are now accessible on Times Table Rock Stars. Please check your log in details in your child's reading record book.

**Phonics Games**

Sometimes in class we play phonics games. To help strengthen your child’s reading skills you might like to look at these games available on:

## Home Learning Tasks

Reading	Times Table Rock Stars	Spellings/Phonics
<p>Please read at least 5x over the week. Please remember to write in their reading journals so we can count their reads. Remember that in their daily phonics lessons the children participate in reading activities.</p>	<p>Have fun working on counting in 10s and the 10 times table and on counting in 5s and the 5 times table. To help your child with the games online, when children are presented with 2X10 for example, you could ask your child to count in 10s, perhaps presenting them with 2 wooden blocks or drawing 2 long lines to represent 10. The children are very experienced in counting in 10s and also in 5s. Have fun.</p>	<p>The children who have purple RWI reading books have continued learning the Set 3 Sounds detailed below. Please revisit all Set 2 sounds and the Set 3 sounds..</p>
